First Destination Career Outcomes

Thomas Jefferson University prepares students not only to land top internships and jobs, but to become industry leaders. At Jefferson, we call our transdisciplinary, professionally focused approach to education Nexus Learning™. Consistent with this approach, the Marianne Able Career Services Center helps students and alumni capitalize on their Jefferson experience, helping them achieve their professional goals.

This report includes data from undergraduate day students who graduated from **Jefferson's East Falls Campus** in August 2021, December 2021, and May 2022. Statistics are derived from a survey collection pool of 343 graduates from a total graduating class of 440 (representing a 78% knowledge/response rate). Response sources include: self-reported survey responses, faculty/staff outreach and LinkedIn profile verifications. Of the 343 graduates with information provided, 330 or 96.2% have reported post-graduation employment in fields related to their major/career interests or graduate school acceptance.

Further broken down, 182 graduates are employed (53.1%); 148 are enrolled in graduate programs (43.1%); 10 indicated they were still seeking employment in their field of study at the time of this report (2.9%) and 3 were taking a gap year or not seeking (0.9%).
