## Transportation for Medical Assistance Patients

Modivcare provides curb to curb pickup for transport to medical appointments.

To use Modivcare, you must reside in Philadelphia County, be disabled, and have Medicaid.

Rides must be scheduled three days in advance. You can schedule up to 30 days in advance. Individuals on dialysis will need a doctor's letter to have a standing order for transportation.

Modivcare is only for transportation for non-emergency medical reasons. Ex. Doctor visits d/c from a hospital, dialysis, chemotherapy treatment, etc.
