

Student Grants & Fellowships

2010

Cell & Developmental Biology

Ronald J. Vagnozzi

Pre-doctoral Fellowship, American Heart Association, Great Rivers Affiliate
The Role of Cardiac Ankyrin Repeat Kinase (CARK) in the Heart

2009

Genetics

Zenobia Cofer

Ruth L. Kirschstein National Research Service Award (NRSA) Predoctoral Fellowship
Award to Promote Diversity in Health-Related Research

Molecular Pharmacology & Structural Biology

Michael Augello

DOD Predoctoral Fellowship, Prostate Cancer Program

2007

Lisa M. Ambrose-Lanci, F31 Ruth L. Kirschstein National Research Service Award Individual Pre-doctoral Fellowship. "Anxiety in Females During Cocaine Withdrawal." Funding from May 22, 2007

Lisa M. Ambrose-Lanci, Sigma Xi, Grants-in-Aid of Research. 2007.

Allison M. Beal, Keystone Symposia Travel Scholarship. March 2007.

John Busillo, American Heart Association Pre-Doctoral Fellowship. "Characterizing the Functional Role of Agonist Promoted Phosphorylation of CXCR4."

Josephine H. Fox, F31 Ruth L. Kirschstein National Research Service Award Individual Pre-doctoral Fellowship. "RET Signaling in Paraneoplastic Peripheral Neuropathy." Funding from August 1, 2007 – July 31, 2010.

Amanda Roberts, American Heart Association Pre-Doctoral Fellowship. "Elucidating the Mechanism of the Dynein- Dynactin Interaction." Funding from July 1, 2007 - June 30 2009.

Tara M. Robinson, F30 Ruth L. Kirschstein National Research Service Award for Individual Pre-doctoral MD/PhD Fellows. "Antigen processing and the age-related decline in protection against influenza." Funding from October 1, 2007 – September 20, 2012.

Kathleen Woulfe, American Heart Association Pre-Doctoral Fellowship. "GSK-3beta and Dishevelled: Roles in Cardiac Hypertrophy and Cell Survival." Funding from July 1, 2007 – June 30, 2009.

2006

Rebecca Spain, The Multiple Sclerosis Clinical Fellowship Program, from the Partners Multiple Sclerosis Center at Brigham and Women's Hospital. Funding from 2006-2008.
