## Career Fair and Vendor Expo, Part of Postdoctoral Research Symposium

Please join your fellow graduate students and postdoctoral fellows at the day-long Postdoctoral Research Symposium on June 19th in Bluemle Life Sciences Building. There will be morning and afternoon oral presentation sessions as well as a late morning poster session. From 10AM-2PM, please visit the sponsor tables which include local pharmaceutical companies, a patent law firm (whose representative will be Peter Jackman, TJU MS alumnus), laboratory vendors, a financial institution, and several non-profit agencies. The pharmaceutical companies, the law firm, and one of the non-profit institutions will be actively recruiting that day. If anyone needs help with updating or revising their resume, please contact one of the follow-

ing people, Dr. Dennis Gross (MS basic science students) ([dennis.gross@jefferson.edu](mailto:dennis.gross@jefferson.edu)), Dr. Lisa Kozlowski (PhD students) ([lisa.kozlowski@jefferson.edu](mailto:lisa.kozlowski@jefferson.edu)), Dr. Jennifer Lofland (MPH students) ([jennifer.lofland@jefferson.edu](mailto:jennifer.lofland@jefferson.edu)). The day will be capped by the 4PM Keynote Address from Dr. Kenneth Fischbeck, Chief, Neurogenetics Branch of the National Institute of Neurological Disorders and Stroke. Immediately following the keynote address, there will be an awards ceremony and martini reception. For additional information, visit this website ([www.jefferson.edu/jcgs/postdoc](http://www.jefferson.edu/jcgs/postdoc)) or e-mail Dr. Kozlowski.
