

**Want to learn more about radiation treatments?
Have concerns or fears about radiation or just
interested in learning more about how it works?
Come join us for “Behind the Scenes” in
Radiation Oncology at Jefferson**

Date: Wednesday, May 12, 2010

Time: 5:30 PM - 6:30 PM

Location: Simon Kramer Conference Room

**Follow signs from Street Level Entrance of the
Bodine Center for Cancer Treatment at 11th St. & Sansom St.**

Meet with members of the Radiation Oncology Treatment Team including:
Radiation Oncologists, Social Workers, Nurses, Physicists and Therapists

A brief Q&A session will take place with light refreshments in the Simon Kramer Conference Room from 5:30 PM-6:00 PM. Afterwards, attendees will tour the department with staff members to get an “inside look” at all aspects of the Department of Radiation Oncology. Learn more about the technology behind the fight against cancer. We hope to see you there!

For more information, questions, or to RSVP please call Karen Ginsburg at 215-955-0300 or email her at Karen.ginsburg@jeffersonhospital.org.
