Directory Codes: Majors Academic Programs

*Note to Job Seekers:* This Directory lists all of the participating organizations, as well as the 100+ employer representatives who are attending today’s Career Fair. The next 2 pages list the organizations, with the major/academic program codes, to indicate the type of candidates the employers would like to meet during the Fair. For example, if your program is Master of Public Health (MPH), you will look on the next page(s) for employers who included an MPH in their listing. The Table of Contents pages will indicate the page numbers on which you can find each employer’s description and representative information.

Fox Rehabilitation Geriatric Therapy

Fox is a private practice of full-time physical, occupational, and speech therapists who provide Geriatric House Calls™ — whether in a house, apartment, assisted living residence, or adult medical day care. Fox was the first to deliver these services to the older population in their home under Medicare Part B, a model that permits providing the correct intensity and duration of care as indicated by need. Our approach is to recruit the very finest clinicians and allow them the autonomy they need to rehabilitate lives.
