\* Respondents who did not indicate program or subspecialty are included in the "overall" tally for their academic department or school.

\*\* Percentages may not total to 100 due to rounding.

\*\*\* FT = Full-Time Employment, PT = Part-Time Employment, CE = Continuing Education, UEC = Unemployed by Choice, UE = Unemployed, NR = No Response

† Placement Rate is calculated using the formula: (FT+PT+Other Employed) / (No. of Respondents minus [those enrolled or still on clinical at time of survey + those pursuing advanced degrees + those not desiring employment]).

This is a different calculation than used in previous years.

†† Thomas Jefferson University Hospital and the preferred affiliate hospitals.

††† Employers in Pennsylvania, other than TJUH and the preferred affiliate hospitals.

∞ Only Full-Time salaries are included. Hourly wages were not included.

∞∞ In some cases, salaries are reflective of positions held prior to starting academic program at TJU.

∞∞∞ Multicomp were counted in modality category which was completed in 2010-11.
