| YEAR 1 – SKMC 1 | • Pre-entry Research Rotation (optional)  
• MD/PhD Orientation  
• Current Topics in Translational Biomedical Research  
  o Student Research Seminar – 1st Monday, noon  
  o Case Study in Molecular Medicine – 2nd Wednesday, 5pm  
  o Translational Research Journal Club – 4th Wednesday, 5 pm  
• MD/PhD Retreat – Fall, Saturday all day - mandatory  
• Physician Scientist Dinners  
• Summer Research Rotation |
| YEAR 2 – SKMC 2 | • Current Topics in Translational Biomedical Research  
  o Student Research Seminar – 1st Monday, noon  
  o Case Study in Molecular Medicine – 2nd Wednesday, 5pm  
  o Translational Research Journal Club – 4th Wednesday, 5 pm  
• MD/PhD Retreat – Fall, Saturday all day - mandatory  
• Physician Scientist Dinners  
• Complete USMLE Step 1 before June 30 or within same time frame as current class cohort  
• Summer Research Rotation, if needed  
• Identify thesis Research Mentor and PhD Program |
| YEAR 3 – JGSBS 1 | • Current Topics in Translational Biomedical Research  
  o Student Research Seminar – 1st Monday, noon  
  o Case Study in Molecular Medicine – 2nd Wednesday, 5pm  
  o Translational Research Journal Club – 4th Wednesday, 5 pm  
• Enrichment Course in Clinical Skills – Dr. Grunwald  
• MD/PhD Retreat – Fall, Saturday all day - mandatory  
• Physician Scientist Dinners |
| YEAR 4 – JGSBS 2 | • Current Topics in Translational Biomedical Research  
  o Student Research Seminar – 1st Monday, noon  
  o Case Study in Molecular Medicine – 2nd Wednesday, 5pm  
  o Translational Research Journal Club – 4th Wednesday, 5 pm  
• Enrichment Course in Clinical Skills – Dr. Majdan, one half day per month  
• GC 630 – Fundamentals of Clinical Trials  
• MD/PhD Retreat – Fall, Saturday all day – mandatory  
• Physician Scientist Dinners |
| YEAR 5 – JGSBS 3 | • Current Topics in Translational Biomedical Research  
  o Student Research Seminar – 1st Monday, noon  
  o Case Study in Molecular Medicine – 2nd Wednesday, 5pm  
  o Translational Research Journal Club – 4th Wednesday, 5 pm  
• Ethics Case Conference – 4th Tuesday, noon  
• Enrichment Course in Clinical Skills – Dr. Majdan, one half day per month  
• Rotation on Cancer Clinical Research Review Committee (CCRRC) – Dr. Waldman, 6 one hour meetings - optional  
• MD/PhD Retreat – Fall, Saturday all day - mandatory  
• Physician Scientist Dinners |
| YEAR 6 – JGSBS 4 | • Current Topics in Translational Biomedical Research  
  o Student Research Seminar – 1st Monday, noon  
  o Case Study in Molecular Medicine – 2nd Wednesday, 5pm  
  o Translational Research Journal Club – 4th Wednesday, 5 pm  
• Enrichment Course in Clinical Skills – Dr. Majdan, one half day per month  
• Critical Review of Scientific Literature – Rotation at Annals of Internal Medicine – Dr. Kraft - optional  
• MD/PhD Retreat – Fall, Saturday all day - mandatory  
• Physician Scientist Dinners  
• Complete ‘Third Year Primer’, SKMC’s Clinical Refresher course before returning to JMC in July |
| YEAR 7 – SKMC 3 | • Present one Case Study in Molecular Medicine  
• MD/PhD Retreat – Fall, Saturday all day - mandatory  
• Physician Scientist Dinners |
| YEAR 8 – SKMC 4 | • Present one Case Study in Molecular Medicine  
• MD/PhD Retreat – Fall, Saturday all day - mandatory  
• Physician Scientist Dinners |
