1. How would you rate your overall experience? Poor/Fair/Good/Very Good/Excellent  Very good

2. How many hours did you work on average? Per day / Per week
   9 hours per day

3. What were your daily duties? (Summarize) Lectures in AM, observing in subspecialty clinics, helping residents with "walk-ins" during afternoons; had a few days in the OR

4. Who did you work with the most? NP's/ PA's/ Interns/ Residents/ Fellows/ Attendings  Residents and Attendings

5. Which Attendings had the greatest influence on your education and experience?  Cornea doctor

6. Did this rotation impact your interest in this program? How?
   Yes - confirmed interest and was a nice contrast to urban, med-school associated teaching hospital; Geisinger is in a very rural area of PA and pulls in patients from all of central and northeast PA - everyday patients often come from 2-3 hours away and care is much more based on serving the public and offering clinical care to those in need; less emphasis is placed on didactics, research, and the "name" of an institution

7. Did this rotation help you get an interview?  Yes

8. Did you get a letter of recommendation?  Yes

9. Did you meet with or work with the Residency Program Director or the Department Chair?  Minimally

10. How did you apply for the rotation? Did you use VSAS?  VSAS

11. What month(s) was your rotation?  August

12. When did you apply? When did you get accepted?  Spring (March/April) - shortly after

13. Were there any special requirements for the rotation (i.e. BLS recertification, LOR, etc.)  No
14. **Is Housing provided? If not, can you recommend housing options?**
   Yes - I think it was about $350 for the month... I stayed with family during the rotation so I cannot comment too much more, but I believe options were either dormitory style or suite-style (3-4 bedrooms and one bathroom) lodgings

15. **Is parking provided? If not, any recommendations?** Yes

16. **Would you recommend this rotation to future students?** Yes - But it is probably more attractive for those interested in rural/community care and who aren't as concerned with working with big or up-and-coming names in the field

17. **Any other comments, suggestions or tips?** If visiting Danville in September you can go to the Bloomsburg fair! It is also an area where outdoorsy people can find a lot of fun trails or hiking & camping areas. Otherwise, central PA is lacking in terms of fun and exciting things to do.

18. **OPTIONAL: Would you like to include your contact information?**
