SPECIALTY:
Medical School or Hospital: Northwestern Reproductive Genetics (OBGYN dept) with Dr. Lee Shulman

1. How would you rate your overall experience? 
Excellent

2. How many hours did you work on average per day and/or per week? 
35-40

3. What were your daily duties? Mostly shadowing 1-2 attendings doing amnios/CVS, seeing pts in outpt setting, sitting in with genetic counselors

4. Who did you work with most? 1 atting

5. Which attendings had the greatest influence on your experience or your education? Dr. Shulman, and sometimes worked with Dr. Dungan

6. Did this rotation impact your interest in this program? How so? Absolutely, increased interest

7. Did this rotation help you get an interview? no

8. Did you get a letter of recommendation? yes

9. Did you meet with or work with the Residency Program Director or the Department Chair? yes

10. How did you apply for the rotation? Did you use VSAS? VSAS

11. What month(s) was your rotation? July, off-cycle from Jefferson

12. When did you apply? When did you get accepted? Applied the first day they accepted applications, heard within 4 weeks

13. Were there any special requirements for the rotation (i.e. BLS recertification, LOR, etc.) no special requirements

14. If you used VSAS, were there any unexpected/additional requirements you found out about after initially submitted your application, or after being accepted? no

15. Is Housing provided? If not, can you recommend housing options? Housing is not provided, I stayed with a friend

16. Is parking provided? If not, any recommendations? Parking is not provided, public transportation is great

17. Would you recommend this rotation to future students? Yes, although I did not get an interview, I'm sure it could have helped

18. Any other comments/suggestions/tips? Do rotations where you spend time with attngs the most, that’s how you get good LORs

19. OPTIONAL: Would you like to include your contact information? Alexis.braverman@gmail.com
