1. How would you rate your overall experience? Poor/Fair/Good/Very Good/ Excellent Very Good
2. How many hours did you work on average? Per day / Per week
   8am until 6pm daily, no weekends, no call
3. What were your daily duties? (Summarize)
   Check in on patients already being followed and write a note, do any new consults, watch endoscopies while on the inpatient service. The 3rd week is all outpatient, with time in GI and Liver clinics. In the clinics, you see new patients on your own and do some shadowing in the busier liver clinics.
4. Who did you work with the most? NP's/ PA's/ Interns/ Residents/ Fellows/ Attendings GI Fellows
5. Which Attendings had the greatest influence on your education and experience? Dr. Jutaba
6. Did this rotation impact your interest in this program? How?
   No. I did not get a very good picture of what it is like as a medicine resident at UCLA
7. Did this rotation help you get an interview?
   Don't know, but I got an interview
8. Did you get a letter of recommendation? Did not ask
9. Did you meet with or work with the Residency Program Director or the Department Chair?
   Yes. I met with the Program Director during my last week.
10. How did you apply for the rotation? Did you use VSAS?
    Through the UCLA elective system (not VSAS)
11. What month(s) was your rotation? September
12. When did you apply? When did you get accepted?
    I applied in April, Accepted in June
13. Were there any special requirements for the rotation (i.e. BLS recertification, LOR, etc.)
   LOR needed

14. Is Housing provided? If not, can you recommend housing options?
   Unsure, I lived with family

15. Is parking provided? If not, any recommendations?
   Yes, for a $60 fee for the month

16. Would you recommend this rotation to future students?
   It depends on your goals. If you want to do GI in LA, then it is a good rotation. I saw a lot of GI bleeding, liver disease, motility and biliary disorders. However, it did not help me get a feel for the IM program and I did not rotate or work with any IM attendings. I did get to sit down with the program director.

17. Any other comments, suggestions or tips?
