Course Name/ Jefferson Elective: Anatomy ANAT401
Location: JAH - First year medical student Anatomy Lab

1. What form of transportation did you use? I walked
2. What month did you take this elective? October (Block 13)
3. What were your daily duties? Knowing what was to be dissected for the lab(s) for that day and understanding the anatomy for the dissection. Helping medical students find and understand anatomy during dissections.
4. How many hours per week were you on duty? 16
5. What was the call schedule? Were you able to pick your shifts or trade with peers? No call
6. Were there any specific requirements such as lectures, papers, examinations or presentations? No
7. Was there teaching by Attendings? Which Attending left the most impact on you? Yes, the faculty taught. Dr. Lopez and Dr. Fenderson are the two faculty members I interacted with the most.
8. Were you able to attend interviews during your rotation? Yes
9. Did you have to make up for missing interview days? No
10. Did you get a letter of recommendation? No
11. How would you rate your overall experience? Poor/Fair/Good/Very Good/ Excellent
   Excellent
12. Would you recommend this elective to future students? Yes
13. Any other comments, suggestions or tips? This is a great rotation for anyone who enjoyed anatomy during first year. If you have a specific interest in a particular area of anatomy, try to schedule the rotation for when the first years are dissecting that.
14. OPTIONAL: Would you like to include your contact information? aileen.butera@jefferson.edu
