Course Name/ Jefferson Elective  Basic Dermatopathology – DERM 402
Location  805 Chestnut St

1. What form of transportation did you use? Walking
2. What month did you take this elective? July
3. What were your daily duties? Pre-read daily slides with the resident and fellow. Sit for sign out with attending. Read "known" slides from library and learn dermatopathology
4. How many hours per week were you on duty? 40
5. What was the call schedule? Were you able to pick your shifts or trade with peers? None
6. Were there any specific requirements such as lectures, papers, examinations or presentations? 5 minute presentation at the conclusion of the block, 1x20 slide unknown quiz, multiple choice test on 2 chapters in Lever's Dermatopathology
7. Was there teaching by Attendings? Which Attending left the most impact on you? A lot of teaching by Drs Lee, Schwartz and Sahu
8. Were you able to attend interviews during your rotation? NA
9. Did you have to make up for missing interview days? NA
10. Did you get a letter of recommendation? Yes
11. How would you rate your overall experience? Poor/Fair/Good/Very Good/Excellent Very Good
12. Would you recommend this elective to future students? Yes
13. Any other comments, suggestions or tips? This is a great opportunity to meet with and show Dr. Lee your abilities. It is not an easy rotation if you do not like pathology. The examinations bear little weight on anything unless you absolutely bomb them, but they are very hard tests. 5 minutes for the presentation means 5 minutes. It is best to take this course right after taking the general Dermatology rotation.
14. OPTIONAL: Would you like to include your contact information?
