Course Name/ Jefferson Elective: Pediatric Neurology – PED 415

Location: A.I duPont Hospital for Children

1. What form of transportation did you use?  Car
2. What month did you take this elective?  August
3. What were your daily duties?  Split time between doing consults on the floor and outpatient setting. Primary duty is to do consults. Will work with Jeff Adult Neurology residents on this rotation. Pediatric residents sometimes do rotations on the outpatient side.
4. How many hours per week were you on duty?  50
5. What was the call schedule? Were you able to pick your shifts or trade with peers?  No call
6. Were there any specific requirements such as lectures, papers, examinations or presentations?  No specific requirements
7. Was there teaching by Attendings? Which Attending left the most impact on you?
   --- Yes, the neurology attendings round every week for consults. Some are better at teaching than others. Dr. Bean was by far the most helpful and definitely left a lasting impact. He's a general pediatrician above all else. It's amazing how hard he works and how much he cares about the entirety of what's going on with the patient in addition to their neuro dilemma
   --- Dr. Jain
8. Were you able to attend interviews during your rotation?  N/A
9. Did you have to make up for missing interview days?  N/A
10. Did you get a letter of recommendation?  Yes
11. How would you rate your overall experience?  Poor/Fair/Good/Very Good/ Excellent
    --- Very Good
    --- Fair
12. Would you recommend this elective to future students?
--- Yes

--- Not necessarily - no contact with any peds neuro residents, quite disorganized

13. **Any other comments, suggestions or tips?** Just know that you will be working with adult neuro residents who do not know much about peds. The ANP, Dawn Brown, is very helpful and knowledgeable.

14. **OPTIONAL: Would you like to include your contact information?**
