**Course Name/ Jefferson Elective**: Pediatric Ophthalmology – PED 482

**Location**: A I duPont Children’s Hospital

1. **What form of transportation did you use?** Car
2. **What month did you take this elective?** October
3. **What were your daily duties?**
   Clinic most days and about 2 days of OR/week
4. **How many hours per week were you on duty?** 40hrs/week
5. **What was the call schedule? Were you able to pick your shifts or trade with peers?** NO call
6. **Were there any specific requirements such as lectures, papers, examinations or presentations?**
   One very short 10 min presentation on a pediatric ophthalmology topic of your choice. This is given to the 4 attendings.
7. **Was there teaching by Attendings? Which Attending left the most impact on you?** All teaching is done by attendings and I was the only student there. There were no residents either! Just me and 4 attendings!
8. **Were you able to attend interviews during your rotation?** Yes
9. **Did you have to make up for missing interview days?** No
10. **Did you get a letter of recommendation?** No. I didn't pursue one.
11. **How would you rate your overall experience?** Poor/Fair/Good/Very Good/ Excellent Excellent. Dr. Jin is one of the best people I have ever had the pleasure to learn from.
12. **Would you recommend this elective to future students?** Yes. Highly.
13. **Any other comments, suggestions or tips?** The drive can become a bit tedious, but the experience of getting used to working with children on this rotation is well worth it. I was intimidated by the thought at first, but left with some level of confidence!
14. **OPTIONAL: Would you like to include your contact information?**
