Project Introduction

The RACE project structure is as follows:

- Project Sponsors: Kathy Gallagher, Al Salvato, Ted Taraschi
- Huron Project Team
- FAC
- RACE Working Group
The RACE Director will report to the VP of Research as well as the Executive Vice President & Chief Administrative Officer.

Research Administration Center of Excellence (RACE) will be separate from ORA and SPAO and be focused on providing exceptional local research administration support to researchers.

Phase I Teams: August 1st

Phase II Teams: October 1st
Teams within RACE will serve multiple departments. Grants Administrators within each team will be responsible for serving multiple PIs.

- Team staffing will depend on research volume for departments served
- Grants Admins and Team Leads will be responsible for pre-and post-award for their PIs
- Grants Admins will be assigned by PI, not sponsor or award type
- Teams will be physically situated close to their PIs
Frequently Asked Questions

What is RACE?
RACE, the Research Administration Center of Excellence, is a shared service center that will provide faculty-centric research administration support across TJU by standardizing processes and restructuring positions.

Why are we launching RACE?
A shared service center for departmental research administration is an important step towards: 1) enhancing service for all researchers across campus, 2) ensuring consistent processes and procedures across departments, and 3) providing our grants management staff a clear career path and an opportunity to grow their careers here at Jefferson.

How has the Jefferson campus been involved?
Prior to December 2013, the campus was engaged through town hall meetings, process discussions and Sr. Administrator meetings. Since December 2013, we have engaged stakeholders in the following ways: a) Faculty through the Faculty Advisory Committee b) Research Administrators through the RACE Working Group process subcommittees c) Research Community through regular Town Hall Meetings

Where is RACE located?
There will be four RACE locations (pending confirmation of space availability): Jefferson Alumni Hall, Jefferson Hospital for Neurosciences, Bluemle Life Sciences, and Medical College.
Frequently Asked Questions (continued)

What can I expect my RACE Grants Administrator to assist me with?

Who will help me find program announcements that apply to my scientific background?

Who will help me compile my proposal package?

Who will distribute the correct salary percentage on my grants?

Who will remind me to start my progress report and complete the administrative sections?

Who will review my grant accounts with me each month and keep me informed as to my spending patterns and grant balance?

Who will review my effort reports and make sure they are ready for my certification?

Who will identify when cost transfers need to be made off of my sponsored account?

Who will help to manage my documentation for purchasing? Who will do my purchasing approvals?

Who will help me gather all those materials I need for my subcontract?
How will RACE coexist with other TJU Research Administration offices?

**ORA**
Central Research Functions

- Negotiates contract / award
- Executes Contracts
- Proposal Submission
- Compliance
- Draft Coverage Analysis

**RACE**
Shared Service Center

- All Pre- and Post-Award Support:
  - Proposal Development
  - Award Management
  - Award Closeout

**School/Department**
Department Chair/Department Senior Administrator

- Responsibilities:
  - Sets Department priorities and carries out vision for the department
  - Responsible for overall department operations

The success of RACE is dependent on strong accountability/communication between other constituencies at TJU. This includes: ORA, SPAO, the School/Departments, Faculty.

Who is the RACE Director?

Sam Dilanni

- 15 years experience in research administration (including the University of Pennsylvania)
- Currently at Aria Health
- Experience with Research Administration Shared Service Centers
- Beginning at TJU July 21st and will be involved in implementation planning prior to his start date

How will the purchasing process work once RACE is implemented? The Purchasing Working Group is developing an approach that will allow flexibility and improve some basic controls.

**Option 1: Purchase using P Card**

- PI or PI's designee (as determined by your dept.'s guidelines and PI) makes purchase using P Card (that primarily designated for grant purchases)
- **Justification:** In PaymentNet, the purchaser enters a justification:
  - Which lab the purchase is for
  - What is being purchased
  - The allocation method
- **Approval:** RACE approves grant-related purchases in PaymentNet (after purchase is made)
- **Documentation:** The order confirmation and the packing slip will be forwarded to a central RACE e-mail by the Purchaser
Frequently Asked Questions (continued)

Option 2: Purchase using Ascent

- PI or designee (as determined by your dept.’s guidelines and PI) makes purchase using Ascent
- **Justification:** In Ascent, the purchaser enters a justification:
  - Which lab the purchase is for
  - What is being purchased
  - The allocation method
- **Approval:** RACE pre-approves grant-related purchases directly through the system
- **Documentation:** Once the item is received, the packing slip is forwarded to a central RACE e-mail (all other documentation is already in the system prior to review, there is no need to forward confirmation)

Option 3: Purchase made by RACE Purchaser

- PI or designee (as determined by your dept.’s guidelines and PI) sends RACE Purchasers a request form via e-mail
- **Purchase:** RACE completes the purchase and forwards a confirmation to the PI or designee
- **Documentation:** The packing slip is forwarded to the RACE central e-mail by the person receiving the order

**Key Milestones to hit in June:**

- RACE Director offer extended to final candidate and Director onboarding
- Additional Team Lead offer for Phase II Team Lead extended to candidate
- RACE Grants Administrator interviews (Week of 6/16, 6/23, 6/30)
- Purchasing positions posted
- Finalize Service Level Agreements between RACE and Phase I departments
- Conduct Faculty Town Hall Meetings
  - June 18th from 12 pm-1 pm in JAH Brent
  - June 19th from 2 pm-3 pm in JAH Solis Cohen
