

ACCELERATED FORMAT

All courses required for the BS-HSM/HPM/HSMIS are accelerated.

- There are six accelerated sessions per year.
- Students may enter the program at any one of the six sessions per year.
- Each accelerated session is seven weeks.
- Classes generally meet for two evenings per week for the seven weeks of the session. Certain web-enhanced courses meet only one night per week.
- Students may take one or two courses per session.
- General Education courses required for the degree may also be taken in traditional 15-week semesters rather than accelerated sessions.
