

In this seat  
sits the **future**  
of **clinical**  
**care.**

**Jefferson**™

Imagine the possibilities of an

# entire room.

**Your generosity can create a  
room full of potential.**

At Jefferson, we realize a great university requires a great learning environment.

In the coming years, Jefferson will fill these seats with the nation's brightest and most committed students. We ask you to help support the nation's future physicians, nurses, scientists, and healthcare professionals with a gift to name a seat in the Dorrance H. Hamilton Building's Connelly Auditorium.

A gift of \$10,000 will name a seat in the first three rows. A contribution of \$3,000 names a seat in the remaining rows. Honor a loved one, friend or revered professor with a gift that will benefit future Jeffersonians.

**With your support, there is no limit to  
the possibilities.**
