Big Sky, Montana
February 25 – March 2, 2012 • Huntley Lodge

17th Annual Jefferson Anesthesia Conference

Objectives

At the conclusion of this conference, participants should be able to:

- Implement evidence-based techniques to improve imaging and patient safety for vascular access and peripheral nerve blocks
- Assess and differentiate the risks and benefits of different airway management techniques in emergency situations
- Integrate a focused study of medical history and airway physical examination into patient care
- Apply appropriate techniques for the management of elevated intracranial pressure and assess the efficacy of various neuro-protective methodologies
- Describe the role of the anesthesiologists in applying neuromonitoring theories in neurological surgery
- Demonstrate improved efficiencies in the operating room
- Develop an efficient communication system to coordinate the efforts of the anesthesia team
- Define the deleterious effect of RBC transfusion and determine when to type and screen or type and cross
- Assess the risks of using anticoagulants and neuraxial anesthesia when treating obese patients and the proper use of ultrasound when administering
- Apply new up to date techniques in the placement of peripheral, single injection and continuous blocks including the use of ultrasound
- Integrate techniques used for safely administering anesthesia to neonates during neonatal emergencies
- Identify how to avoid malpractice lawsuits and properly prepare litigation
- Describe instances of fraudulent research and publishing and the difference between fair use and plagiarism
- Apply the Joint Commission USP 797 standards relating to drug and infusion preparation in regional anesthesia
- Develop treatment strategies that employ multimodal pain management and integrate emerging analgesia techniques

- Assess their individual practices in light of the information and discussions during the conference, and identify specific strategies to implement as part of a continuing improvement process for their practices

Accreditation

Jefferson Medical College of Thomas Jefferson University is accredited by the ACCME to provide continuing medical education for physicians. Jefferson Medical College of Thomas Jefferson University designates this live activity for a maximum of 25.0 *AMA PRA Category 1 Credits*[™].

Physicians should claim only credit commensurate with the extent of their participation in the activity.

All faculty participating in continuing medical education activities sponsored by Jefferson Medical College are expected to disclose to the activity audience any real or apparent conflict(s) of interest related to the content of their presentation(s). Full disclosure of faculty relationships will be made at this activity.

This program is approved by the American Association of Nurse Anesthetists for 25 CE Credits; Code Number 34268; Expiration Date: March 2, 2012.

Airway Workshop and Ultrasound Guided Regional Anesthesia Workshop

2 hands-on workshops are included free of charge to all participants.

Evaluation & Claiming Credit

Participants will be required to complete an online evaluation in order to claim CME credits for the conference. The evaluation will be available at the end of each day's session. See conference materials for login information.

Refund Policy

Written notification of cancellation must be received by January 26, 2012 to obtain a refund (minus \$50 administrative fee). No refunds after January 26, 2012. Refunds will be issued after the conference.

Program Faculty

Jefferson Medical College

Jaime Baratta, M.D.

Fellow, Regional Anesthesia and Acute Pain

Donald Baumann, M.D.

Assistant Professor of Anesthesiology

Richard Epstein, M.D.

Professor of Anesthesiology

Kishor Gandhi, M.D.

Assistant Professor of Anesthesiology

Zvi Grunwald, M.D.

The James D. Wentzler, M.D. Professor and Chairman of Anesthesiology

Eugene R. Viscusi, M.D.

Director, Acute Pain Management Service

Visiting Professors

Adam R. Marcus, M.A.

Managing Editor
Anesthesiology News
New York, New York

William Rosenblatt, M.D.

Professor of Anesthesiology
Yale University
School of Medicine
New Haven, Connecticut

17th Annual Jefferson Anesthesia Conference

Big Sky Downhill Ski Resort

Located in southwestern Montana 50 miles from Yellowstone National Park, Big Sky has a unique pristine beauty. Big Sky, with its lodges, shops, and restaurants, is easily accessed via excellent jet service to nearby Bozeman. The nationally renowned Lone Mountain Guest Ranch offers 75 kilometers of professionally groomed Nordic trails for all levels of cross-country skiers. Located five miles from the conference center, the scenic trails wind through forested areas, open meadows and continue onto high alpine terrain. PSIA certified instructors teach beginning to advanced striding, skating, as well as group and private lessons. Naturalists guide backcountry tours of Yellowstone National Park and the Spanish Peaks wilderness area. Gourmet meals and a full-service Nordic ski shop are available on-site. Free shuttle bus service connects the Ranch and the conference center; however, car rental offers the Nordic skier even greater flexibility.

Big Sky Downhill Ski Resort recently expanded its vertical rise to 4,180 feet. Big Sky has 3,500 skiable acres, with runs that are 10% beginner, 47% intermediate and 43% expert. The Lone Peak tram opens previously inaccessible chutes and couloirs, plus three new bowl areas above the Lone Peak treeline. Big Sky offers big skiing days; **the runs are long, the lifts swift, and crowds are rare.** Big Sky's average annual 33 foot snowfall, keeping the resort open until late April, is complemented by snowmaking. **Kids ski free**—up to two kids age 10 or under per paying adult. Children's ski school (ages 4–14, 406-995-5743) and child care (ages 1-1/2–5, 406-995-5847) are available.

All lectures will be at the Yellowstone Conference Center, adjoining the Huntley Lodge at the base of the downhill mountain.

Reception

All conference participants are invited to attend the Sunday evening reception.

Register and Save!!

Hotel accommodations in Big Sky are very pleasant; however, the supply is limited. Hotel space may not be available after mid-January.

We urge you to make your hotel and air reservations as early as possible! As a conference registrant, you and your family are entitled to special rates. To obtain any of these discounts you must identify yourself as a Jefferson Anesthesia Conference participant.

Accommodations

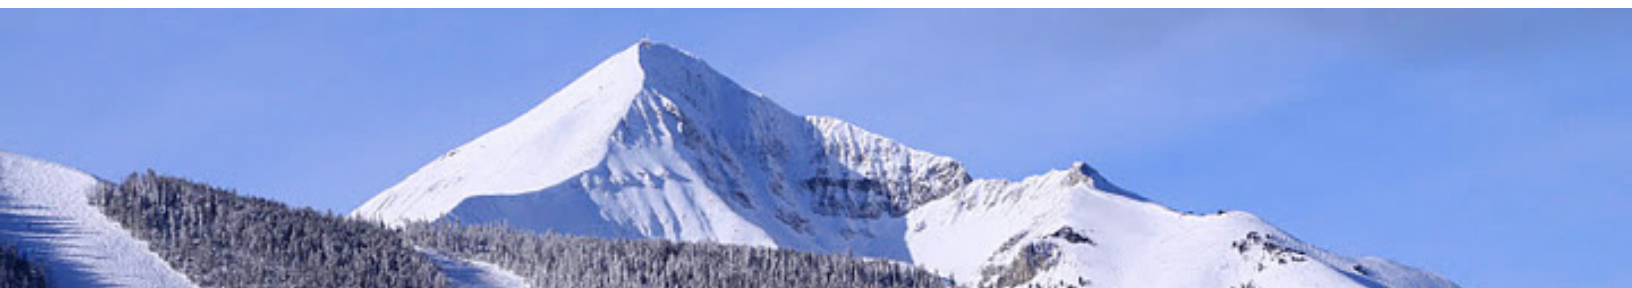

The Huntley Lodge and Shoshone Condominium Hotel, offering downhill ski-in, ski-out convenience, has 200 hotel rooms and 94 condominium units which adjoin the conference center. Guests may use the outdoor heated pool, jacuzzi, health club, massage and spa services, shops, dining room, and Chet's Bar. Conference participants are eligible for discounted rates on hotel rooms (\$217/night, double occupancy) and condominium suites (\$366/night, sleeps up to 4 adults). All guests of the Huntley Lodge and Shoshone condominiums receive complimentary daily breakfast buffet in the Huntley Main Dining Room and Summit Hotel guests receive complimentary daily breakfast buff in the Peak Restaurant. Larger units are also available. Call for reservations: 800-548-4486.

Cross-Country Trail Passes and Lessons

The Lone Mountain Ranch offers Jefferson Anesthesia Conference participants discounted group lessons, rentals and trail passes. Purchase passes and lessons directly from the Ranch.

Downhill Lift Tickets and Equipment Rentals

Adult downhill lift tickets may be obtained for \$61/day or obtain a 5 day pass for \$285. Purchase lift tickets from the concierge or the lift ticket office. **Discounts for lift tickets are only offered to participants that are staying with Big Sky Resorts.**

17th Annual Jefferson Anesthesia Conference

Course Schedule

Saturday, February 25

4:00–6:00 pm Registration

Sunday, February 26

Morning

6:30	Breakfast	
6:45–7:30 (45min)	Anesthesia for Neonatal Emergencies	<i>Grunwald</i>
7:30–8:00 (30min)	Electronic Communication Among the Anesthesia Care Team	<i>Epstein</i>
8:00–8:45 (45 min)	How to Avoid and Manage a Malpractice Lawsuit	<i>Grunwald</i>
8:45–9:15 (30 min)	Questions and Answers	

Afternoon

4:30–5:30 (60min)	Improving Operating Room Efficiency on the Day of Surgery: What Matters; What Does Not	<i>Epstein</i>
5:30–6:00 (30min)	Inside Publishing Misconduct: Fraud, Plagiarism and Other Editorial Misadventures	<i>Marcus</i>
6:00–6:30 (30min)	Questions and Answers	
6:30–9:30	Reception	

Monday, February 27

Morning

6:30	Breakfast	
6:45–7:30 (45min)	Avoiding US Pitfalls for Vascular Access & PNB	<i>Baratta</i>
7:30–8:00 (30min)	Five Basic Nerve Blocks for Ambulatory Surgery	<i>Gandhi</i>
8:00–8:45 (45min)	US for Central Neuraxial Blocks in Morbid Obesity	<i>Gandhi</i>
8:45–9:15 (30min)	Questions and Answers	

Afternoon

4:30–5:30 (60min)	Preoperative Airway Evaluation: Beyond Mallampati	<i>Rosenblatt</i>
5:30–6:00 (30min)	Seeing Beyond the Curve: From Direct to Digital Laryngoscopy	<i>Rosenblatt</i>
6:00–6:30 (30min)	Awake Intubation Made Easy!	<i>Rosenblatt</i>
6:30–7:00 (30min)	Questions and Answers	

Tuesday, February 28

Morning

6:45–7:45 (60min)	The Choices are Endless: Old and New Generation Supraglottic Airways	<i>Rosenblatt</i>
7:45–8:45 (60min)	Reaching the Bottom, Returning to the Top: Techniques For Invasive Airway Management & Extubation of the Difficult Airway	<i>Rosenblatt</i>
8:45–9:15 (30min)	Questions and Answers	

Afternoon

4:30–5:00 pm (30min)	Extubation: The Finale!	<i>Rosenblatt</i>
5:00–7:30 pm (150min)	Airway Workshop	

Wednesday, February 29

Afternoon

5:30–8:30pm (180min)	Regional Anesthesia Workshop	
----------------------	------------------------------	--

Thursday, March 1

Morning

6:45–7:30 (45min)	What is Multimodal Analgesia and How Do We Apply These Concepts?	<i>Viscusi</i>
7:30–8:00 (30min)	Anticoagulation Guidelines for Regional and Neuraxial Anesthesia	<i>Gandhi</i>
8:00–8:45 (45min)	Update on Emerging Technologies in Acute Pain Management	<i>Viscusi</i>
8:45–9:15 (30min)	Questions and Answers	

Afternoon

4:30–5:30 (60min)	Managing Unstable Cervical Spine	<i>Baumann</i>
5:30–6:00 (30min)	Preoperative Type and Screening: When Can We Skip This Test?	<i>Epstein</i>
6:00–6:30 (30min)	Techniques for ICP Management and Neuroprotection	<i>Baumann</i>
6:30–7:00 (30min)	Questions and Answers	

Friday, March 2

Morning

6:30	Breakfast	
6:45–7:30 (45min)	Anesthesia and Neuromonitoring Techniques	<i>Baumann</i>
7:30–8:00 (30 min)	USP 797: What Does This Have To Do With Providing Anesthesia Care?	<i>Viscusi</i>
8:00–8:30 (30min)	Questions and Answers	
8:30–8:45 (15min)	Conference Closing Remarks	

Registration Form

Registrant Information (PLEASE PRINT)

Name _____ Degree _____ (MD, DO, CRNA, RN, etc.)

Work Phone _____ Home Phone _____

Fax _____

Address _____

City _____ State _____ Zip _____

Affiliate Hospital _____ Specialty _____

AANA Membership Number _____ *Last 4 numbers SSN _____

Email Address _____

** Please provide the last four digits of your Social Security Number as your Web ID. This will allow you to access your CME transcript after the course at <http://jeffline.jefferson.edu/jeffcme/JeffETC/>*

I will be accompanied by: _____ (for reception nametags)

Registration

Please register by February 12, 2012

to guarantee conference materials.

Until January 1, 2012

After January 1, 2012

Physicians \$745 \$795

Nurses, Nurse Anesthetists, and Others \$675 \$725

Residents and Nurses in Training \$500 \$550

(Trainees please include letter of verification from department chair)

Refund Policy

Written notification of cancellation must be received by January 26, 2012 to obtain a refund (minus \$50 administrative fee). No refunds after January 26, 2012. Refunds will be issued after the conference.

Payment

Must accompany conference registration.

Check/money order enclosed payable to "JMC-Continuing Medical Education"

I hereby authorize use of my credit card: MasterCard Visa
