February 2016

This is to acknowledge receipt of your recent letter requesting information concerning elective clerkship rotations at Sidney Kimmel Medical College at Thomas Jefferson University, formerly known as Jefferson Medical College. Please note that you must be currently enrolled in medical school in your final year of medical school. Students who have already received their Doctor of Medicine degree are not eligible to apply for electives.

An online edition of the catalog containing descriptions of courses offered at Sidney Kimmel Medical College is available at: http://www.jefferson.edu/content/dam/university/skmc/student-resources/Catalog2015.pdf. Attached are an Application for Clerkship Instructions and a Clinical Curriculum Planner for the 2016-2017 academic year, which lists the dates during which electives are offered. Please do not mail in an application form with dates that are different from the planner. On the planner, the four-week blocks are listed on the bottom of the form. All fourth year electives are four weeks in length. We do not offer two week electives.

The following regulations apply to all elective clerkships:

- Space is subject to availability and cannot be guaranteed
- Applications cannot be considered if the beginning of the request clerkship is more than 12 months from the date of the application.
- The minimum amount of time for an elective rotation is four weeks.
- Total elective time may not exceed eight weeks.
- Electives are offered in blocks of four weeks and are offered only during the regular course offering dates of the College. All application forms which are received with dates that are different from Sidney Kimmel Medical College will be returned.
- Students are required to be present for the full length of the elective.
- A Sidney Kimmel Medical College clinical evaluation form describing your performance will be completed by your preceptor at the end of each rotation and will be forwarded to your medical school.
- All clerkships are assigned to Thomas Jefferson University Hospital.
- No core junior clerkships (350 courses) are available.
- Students are required to be covered by malpractice liability insurance. The amount of coverage required is $1,000,000 per medical incident and $3,000,000 annual aggregate. Jefferson does not provide malpractice insurance.
All clinical rotations done at Sidney Kimmel Medical College must be arranged through the Office of the Registrar. Any coursework arranged without going through the Registrar’s Office (for example, arranged directly with the attending physician or department) will not be eligible for credit.

DEPARTMENTAL COURSE OFFERING DETAILS:

- SURGERY rotations are offered only in Block 13/14 are subject to availability.
- MEDICINE rotations are only offered in Block 18.
- PATHOLOGY department requires that visiting students take PATH 401 first as a visiting student.
- FAMILY MEDICINE offers FMED 401, 407, 409, and 410 from blocks 13-20.
- NEUROLOGY (Neurology 401) requires prior completion of a course in Neurology as indicated on the student’s academic transcript.
- REHABILITATION MEDICINE requires (for international students only) a brief personal statement describing your interest in the field, and a CV.
- INTEGRATIVE MEDICINE does not accept visiting students at this time.
- OBGYN department does not accept international students, nor do they accept visiting students in Block 3 or 4. All other applications are considered based upon availability.

All students seeking elective clerkships must meet the following academic requirements:

- Be in your final year of medical school study. The date of the elective may not extend beyond your graduation date.
- Have passed USMLE. Please submit a copy of the USMLE Score with your application.
- Must have health insurance that includes medical repatriation and evacuation insurance.
- Must have malpractice insurance for $1,000,000 per medical incident and $3,000,000 annual aggregate.
- Must be proficient in the English language, both written and verbal.
- Have a completed Immunization Record which is enclosed. The Immunization Form must be returned to University Health Services. You must have clearance from University Health Services before the start of the elective.
In order to consider your application complete, you must provide the following information:

- The completed application form
- A letter from the Dean's Office, or its equivalent, at your medical institution supporting your request and certifying that you meet the above academic requirements.
- An office transcript or certification of grades, in English, from your medical institution.
- Evidence of sufficient financial support for living expenses for the period of time of the elective. Sidney Kimmel Medical College is unable to provide subsidized housing or any other financial assistance. This requirement can be met by submitting a letter from the student's parents which states that the parents will be responsible for the student's expenses while the student is completing the elective in the United States.
- Evidence of malpractice insurance.
- Evidence of adequate personal health insurance (including proof of medical repatriation and evacuation insurance).
- Evidence of USMLE Scores.
- The non-refundable application fee of seventy-five (U.S) dollars made payable to Sidney Kimmel Medical College. Applications that do not include payment will be returned.

If you have any questions concerning visas or any other special requirements international students may have, please contact the Office of International Exchange Services directly at 215-503-4024 or visit the website www.jefferson.edu/oies.

If you are approved for an elective, a tuition charge of $750 per four weeks is required. Students electing to be here for eight weeks will owe $1500, which can be paid by check or money order. We do not accept credit cards. The tuition MUST be paid upon arrival and before we authorize any temporary identification card. Students will not be permitted to begin their elective without having paid the tuition charge.

Your application will be forwarded to the appropriate clinical department for evaluation beginning May 2016. All decisions are made by the departments at Sidney Kimmel Medical College. If your request is approved, you will be expected to arrive at Sidney Kimmel Medical College on the Friday preceding the beginning of your rotation. This will permit all administrative details concerning our stay, including a meeting with the staff in the International Office, to be completed before you begin your clinical duties.
Please forward the completed application, all supporting documents requested above, and the non-refundable fee of $75 (seventy-five US dollars), drawn on a United States bank and made payable to Sidney Kimmel Medical College, to the following:

Nicole Bailey, Student Services Coordinator
Sidney Kimmel Medical College at Thomas Jefferson University
1015 Walnut Street – Room 115
Philadelphia, PA 19107

Thank you for your interest in Sidney Kimmel Medical College. If you have further questions, please contact the Office of the Registrar at 215-503-8734.

Sincerely,

Dear Visiting Medical Student,

Thank you for your interest in participating in an elective at Jefferson University Hospital. As a health care facility, we have procedures in place to protect your health and that of our patients. The attached form must be submitted, reviewed and approved prior to the scheduling of your rotation here at Jefferson. Please have your physician or student health services complete the form and attach all required documentation. Students visiting between September 1 and April 1 must provide updated documentation to University Health Services as proof that they have received the flu vaccine for the current flu season.

The form must be sent to:

University Health Services
833 Chestnut Street, Suite 205
Philadelphia, PA 19107

The records must be legible and written in English. Please note that incomplete or inaccurate documentation will delay your clearance. Please do not fax this form.

Once we have received this form and have documented that all the requirements have been met, we will issue a clearance through the Registrar’s Office. The Registrar’s Office will schedule your rotation after the clearance. If you have questions, please contact us at 215-955-6835 or email at our general email address: jeffuhhs@jeffersonhospital.org
