

American Registry of Radiologic Technologists (ARRT) National Certification and Registration {Radiography, Computed Tomography, Radiation Therapy, Nuclear Medicine, Magnetic Resonance}. Jefferson's Radiography, Computed Tomography, Radiation Therapy, and Magnetic Resonance programs meet the national ARRT certification and registration requirements.		
Medical Dosimetrist Certification Board (MDCB) {Medical Dosimetry}. Jefferson's Medical Dosimetry program meets the national MDCB certification and registration requirements. There is currently no state licensure requirement for Medical Dosimetrists.		
American Registry for Diagnostic Medical Sonography (ARDMS) Certification {General Sonography, Cardiac Sonography, Vascular Sonography}. Jefferson's General Sonography, Cardiac Sonography, and Vascular Sonography programs meet the national ARDMS certification and registration requirements. Certification is required by some individual hospitals/imaging centers/agencies and may not be applicable to all hospitals/imaging centers/agencies.		
The Cardiovascular Credentialing International (CCI) {Invasive Cardiovascular Technology} globally accepted achievement for allied health professionals who assist in cardiac catheterization procedures. Jefferson's Invasive Cardiovascular Technology program meets the national CCI certification and registration requirements.
