### STEPS TO APPLY

- Internal applicants must first consult their Academic Advisor who determines eligibility for the Accelerated Dual Degree program; Advisor may recommend the student to the Graduate Program Director based upon the following standards: cumulative 3.00 GPA, or higher, minimum of 75 credits, transcripts, recommendations, etc. (If the required cumulative 3.00 GPA standard has not been met, the recommendation of a faculty is required. Exceptions to the 75 credit minimum may be granted with the approval of the Graduate Program Director.)  
**Actions Required: Student and Academic Advisor sign the "Accelerated UG/GR Dual Degree" form and send to the Graduate Program Director. Advisor sends form, updated checksheet and supporting materials to Graduate Program Director.**
- Admission to the Accelerated Dual Degree Program must be approved by the Graduate Program Director. An interview is scheduled with the student by the Graduate Program Director who reviews the applicant's GPA, transcript, recommendations, and portfolio, if required by the graduate program.  
**Actions Required: Graduate Program Director signs the "Accelerated UG/GR Dual Degree" form upon acceptance of student into the Accelerated Dual Degree program and sends form to CBE Associate Dean, Graduate Studies.**
- Graduate Program Director develops a curriculum map that charts the recommended sequence and semester that students should register for the 12 credits of foundational graduate courses. The curriculum map is sent to the Advisor and to the student as a guide to curricular choices. Consultations with the Program Director are necessary to approve changes or make adjustments to the original curriculum map.  
**Action Required: Graduate Program Director sends curriculum map to Advisor and student.**
- **Action Required: CBE Associate Dean, Graduate Studies signs the "Accelerated UG/GR Dual Degree" form and sends form to the Office of the Registrar.**
- Enrollment may occur at any time up to the end of the add period of the student's penultimate semester. To remain in the Accelerated Dual Degree program a student must maintain a cumulative GPA of 3.00 or higher.
