    - IARC 710: Master's Project for Interior / *Final Thesis Studio*
    - IARP 508: Presentation Techniques / *Visual Studies*
    - ARST 471: Special Topics: Synesthesia / *Design Theory and Fabrication*
    - INTD 306: Advanced Visualization / *Visual Studies*
  - *Undergraduate Level*
    - INTD-401: Design 7 for Interior Design
    - ARCH-401: Design 7 for Architecture
    - ARDS 209: Visualization 3: Digital Modeling for Interior Design / *Visual Studies*
    - ARCH 311: Design 5 for Architecture, The Urban Research Studio / *Studio*
- ##### Service:
- Director of Exhibitions for the college. From Spring 2024.
  - Ph.D. student advisory committee. Spring 2023.
  - College Full Time faculty search Committee member, Spring 2023.
  - Course Development & Coordination for the Undergraduate Interior Design Department: ARDS 209: Visualization 3: Digital Modeling for Interior Design.
  - College Curriculum Committee member, Spring 2022 - Onwards
  - Participation at the Spring 2021 CABE Advancement Council Meeting to co-present the project *Synesthesia*, w/ Loukia Tsafoulia
  - Co-organized the cross-disciplinary symposium titled *Neurodiversity\_ Building Community and Rethinking the Built Environment* (see details below under the Conferences section)
  - Co-founder of the *Synesthetic Research and Design Lab*. Pilot Installation titled *Synesthesia* to be exhibited at the ECC Venice Biennial 2020-2021, w/ Loukia Tsafoulia.
  - Creating and compiling an open-source archive of computer software video tutorials related to Visual Studies for ARDS 209: Visualization 3: Digital Modeling for Interior Design. -ARDS-209\_TFU\_CABE\_Class Recordings
  - Co-Organizer of "Grand Tour To Como, Italy," Summer Term, w/ Edgar Stach.

##### Nexus and Cross-disciplinary Collaborations

- Co-organizer of serial cross-disciplinary international symposia, a collaboration between the College of Architecture and the Built Environment and the Center for Autism and Neurodiversity, Jefferson Health.

- Cofounder and Director of the Synesthetic Research and Design Lab, w/ *Loukia Tsafoulia*. Pilot Interactive Installation titled Synesthesia exhibited in various venues locally and internationally.
- Course coDevelopment & Coordination for the serial Interior Design Studio 7 titled *Sentient Architecture: A Space-Body Continuum*. EnAbling Environments for people affected by ASD.  
Fall 2020: the studio collaborated with the arch. office of the Belmont Behavioural Health Hospital's new building.  
Fall 2021: Collaborated with St. Joseph's University Kinney Center for Autism Education and Support to propose designs for a new residence hall for students with autism. See the Philadelphia Inquirer article (Susan Snyder, 2-25-22):
