AIA Member #30318400
NCARB Member #91864
NOMA Member #74157442
Licensed Architect – Florida #101088

EDUCATION

1996-2000 **Master of Architecture**
University of Minnesota College of Architecture and
Landscape Architecture, Minneapolis, Minnesota
1992-1996 **Bachelor of Arts – Major in Architecture**
University of Minnesota College of Liberal Arts,
Minneapolis, Minnesota

ACADEMIC APPOINTMENTS

2022-Present **Thomas Jefferson University**
Chair - Department of Architecture
Associate Professor
IPAL Advisor
AIAS Advisor
2021 **University of Louisiana Lafayette**
Visiting Professor
2013-2021 **Dunwoody College of Technology**
Program Manager (Director) - Architecture + Interior
Design 2013-2020
Associate Professor 2017-2021
Student Academic Advisor 2013-2021
AXP Licensing Advisor 2016-2021
IPAL Advisor 2020-2021
AIAS Chapter Advisor 2013-2020
Program Advisory Committee Coordinator
Online Degree Coordinator 2020-2021
2005-2010 **University of Minnesota**
Adjunct Instructor
Guest Lecturer

PROFESSIONAL PRACTICE

2019-Present **John Dwyer Architecture**
Minneapolis, Minnesota
Philadelphia, Pennsylvania
Principal
2014-2019 **D/O Architects**
Minneapolis, Minnesota
Principal
2010-2014 **John Dwyer Architect**
Minneapolis, Minnesota
Principal
2007-2009 **Architecture for Humanity**
New Orleans, Biloxi
Design Fellow
2004-2010 **Shelter Architecture**
Minneapolis, Minnesota
Founder + Principal
2003 **CVDB Arquitectos**
Lisbon, Portugal
Architect
2000-2004 **SALA Architects**
Stillwater, Minnesota
Architect

SERVICE

2025 **Community College of Philadelphia**
Advisory Board Member
2024-Present **ACSA**
Faculty Councilor
2024-Present **Built Environment Deans Advancing Change**
Advisor and Mentor
2022-Present **Diversity Equity + Inclusion Committee**
Member
2023-Present **Department of Architecture Curriculum**
Development Task Force Committee
Chair
2022-Present **CABE Executive Committee**
Member
2024-Present **Delaware Technical College**
Advisory Board
2022-Present **NCARB**
Licensure Process Research and Development Task
Force
2020-Present **CCCAP**
Board of Directors
2024 **Visiting Faculty Search Committee**
Chair
2024 **ACSA Intersections Research Conference**
Peer Reviewer
2024 **Ad-Hoc Committee - Technology Requirements**
Chair
2023 **ACSA Community College Convening**
Host
2021 **NAAB**
Preparatory Education Assessment Task Force
2021 **AIA Minnesota Equity in the Built Environment**
Committee Member
2021 **AIA Large Firm Roundtable**
Deans Forum Member
2021 **NCARB**
Experience Committee
2021 **ACSA**
Degree Clarification Project
2013-2021 **AIA MN**
Board of Directors
2020 **ACSA**
Leadership Committee
2019 **Tenure Review**
University of Louisiana Lafayette
2017 **Tenure Review**
University of South Dakota.
2015-2016 **New York City College of Technology**
NAAB Mentor
2014-2018 **AIA MN Convention Programs Committee**
Member
2011-2013 **AIA Minnesota Committee on Design**
Member
2009-2021 **AIA Minnesota Search for Shelter**
Team Leader
2007-2010 **CityBUILD Consortium of Schools**
Councilmember
2005-2009 **Architecture for Humanity Minnesota**
Member

AWARDS + EXHIBITIONS

2021	AIA Minnesota Home of the Month Award
2020	Residential Architecture Vision and Excellence Award
2019	City Pages Artist of the Year
2018	AIA Minnesota Louis Lundgren Award for Service Dunwoody College of Technology Academic Innovation Award
2017	AIA Minnesota Home of the Month Award Process II: Through the Lens Exhibit ASLA Minnesota Honor Award
2016	Process: Sketches from Masters to Students
2015	AIA Minnesota Honor Award Dunwoody College of Technology Academic Innovation Award
2014	AIA Minnesota Home of the Month Award
2013	AIA National Young Architect Award Battery Park International Competition Finalist Battery Park Conservancy Public Exhibit
2012	AIA Minnesota Home of the Month Award
2011	AIA Minnesota Home of the Month Award
2010	Bearden Place International Competition First Honorable Mention
2009	AIA MN Young Architect Award
2008	AIAS National Emerging Practice Award "The Future of Affordable Housing" Form + Content Gallery Exhibition "Design for the Other 98%", Walker Art Center Exhibit
2008	AIA MN Residential Architecture Vision and Excellence Award
2007	Jetson Green Top 10 Modern Green Homes AIA MN Residential Architecture Vision and Excellence Award
2006	Weisman Art Museum "Home House" Exhibit
2005	University of Minnesota "Design Like You Give A Damn" Exhibit
2002	Saint Paul Head and Sack House International Ideas Competition Grand Prize
1999	Elvas Museo Contemporanea Competition Shortlist

JURIES

2025	Cal Poly - San Luis Obispo Thesis Guest Critic
2025	Temple University Design Studios Guest Critic
2025	AIA Philadelphia Landmark Building Award Juror
2024-Present	Delaware Technical College Capstone Guest Critic
2022-Present	Community College of Philadelphia Design Studios Guest Critic
2021	AIAS National Honor Awards - Jury Member
2020	MSP Magazine RAVE Awards
2019	College of DuPage Design Studios Guest Critic
2018	University of Arkansas Integrative Design Studios Guest Critic AIA Springfield Honor Awards - Jury Member
2017	Washington University – Saint Louis Integrative Design Studios University of South Dakota Design Studios AIA Montana Honor Awards - Jury Chair
2016	AIA Minnesota Ralph Rapson Traveling Fellowship

2012	AIA Minnesota / Star Tribune Home of the Month
2009	AIA Minnesota 25 Year Award
2004-2020	University of Minnesota Design Studios

LECTURES

2025	NCARB Licensing Advisor Summit Teaching Professional Practice Understanding NCARB Competencies
2025	ACSA Intersections Conference "Ending Homelessness: A Systemic and Housing Typology Approach"
2025	ACSA Community College Convening "Making It Real" Panelist
2024	cCCAP Conference Panelist – "Community College Pathways" "CABE 2023-2024 Review"
2023	JADE Symposium "Ending Homelessness"
2022	University of Louisiana Lafayette "Design, Education and Justice"
2021	cCCAP Webinar Series Panelist – "Community College Pathways"
2020	ACSA & AIAS Panelist – "Culture Change in Architectural Education" Woman's Club of Minnesota Keynote - "COVID + Public Housing"
2019	AIAS National Forum Session Presentation "Design + Humanity" cCCAP National Conference Panelist – "Community College Pathways to Licensure" Minnesota Conference on Architecture Panel Moderator – "Resilience in Rural Jamaica" Gensler Public Knowledge Panel Member – "Re-Imagining the Public Library" University of Minnesota Guest Lecturer
2013-2018	AIA Springfield Keynote "Architectural Education" Minnesota Conference on Architecture Panel Moderator – "Rebuilding Puerto Rico"
2018	AIA Minneapolis Luncheon Panelist – "Reciprocal Relationships: Collaborative Networks in Puerto Rico"
2017	AIA Montana Convention Keynote + Honor Awards Jury Chair Walker Art Center Design Lecture Series Panelist – "Expansions and Institutions" Architecture MN / Room & Board Special Event Panelist – "Compact Living Spaces" AIA Minnesota Convention Panelist – "Minnesota Architectural Education: Two Schools, One Aspiration"
2016	AIA Minnesota Convention Panel Moderator – "Low Rise / High Density"
2015	AIA Arkansas Convention Speaker – "Global Practice"
2011	Walker Art Center Speaker – "Solutions Twin Cities"

GRANTS + FELLOWSHIPS + FUNDRAISING

2025	JeffSmart Seed Grant Seed Grant Funding in Support of Interdisciplinary Efforts around Homelessness, Housing and Healthcare, With Lara Weinstein - Community and Family Medicine
2022-Present	Faculty + Student Diversity Development Fund Professional Development Funding for junior faculty and NOMAS student chapter
2019-2021	Capital Campaign – Dunwoody College DEI Scholarship Funding Travel / Service Learning Scholarship Funding
2018	Puerto Rico Project Funding Service Learning Project-Based Funding
2016-2020	BWBR Prize – Dunwoody College Annual Student Scholarship Program
2016	Crosby Research Fellowship International Service Learning Development
2015	Crosby Research Fellowship Community Design Center Feasibility Study
2014-2021	Charlie Prize – Dunwoody College Annual Student Scholarship Program
2014-2017	Process – Dunwoody College Annual Student Fundraiser
2007-2010	United Way – Architecture for Humanity Post Katrina Community Design Center Funding

ACADEMIC LEADERSHIP **Thomas Jefferson University - 2022-Present**

Curriculum Development	<p>Led the creation and initiation of a new Bachelor of Science in Architectural Studies and Master of Architecture accelerated dual degree.</p> <p>Authored a 4+2 academic plan providing an accelerated pathway to the Master of Architecture degree for students within the existing Bachelor of Science in Architectural Studies program.</p> <p>Guided the development of new foundation year curricula in the Bachelor of Architecture and Master of Architecture Programs..</p> <p>Advised and guided the development of year 1 undergraduate and year 1 graduate coursework in collaboration with Interior Design, Landscape Architecture, and Urban Design faculty and administration.</p>
Student Development	<p>Participated in national recruiting, and student advising</p> <p>Performed student advising, academic and professional.</p> <p>Participated in recruiting within associates of applied sciences programs nationwide. Oversaw recruiting of first year students through high school outreach and college open house participation.</p> <p>Participated in state and regional college fairs in Chicago, New York, Boston, and AIAS national events.</p> <p>Increased enrollment by 14% in 3 years.</p> <p>Expanded industry relationships to increase placement and employability of current students and graduates by 5%.</p>
Faculty Development	<p>Managed 15 full time and 33 adjunct faculty and added 4 full time faculty from 2022-present.</p> <p>Initiated annual faculty performance reviews.</p> <p>Initiated annual Faculty Evaluations and Performance Appraisals.</p> <p>Expanded full time faculty by 20%.</p> <p>Administered promotion and tenure for five faculty.</p> <p>Created the Advising Director position.</p> <p>Developed multidisciplinary faculty in support of the new foundation year curriculum.</p> <p>Facilitated Junior Faculty to Senior Faculty mentorship.</p>
IPAL	<p>Authored and implemented NCARB's Integrated Path to Architecture Licensure 2023</p> <p>Authored, published and submitted the application for participation.</p> <p>Secured support from AIA Pennsylvania, the Commonwealth of Pennsylvania Licensing Board, and the College of Architecture and the Built Environment, and 13 local architecture firms</p> <p>Authored and implemented the licensure upon graduation academic plan.</p> <p>Initiated the first IPAL cohort of 26 students in Fall 2024.</p>
Equity, Diversity, Inclusion	<p>Increased student and faculty diversity from 2022-2024</p> <p>Expanded pathways for students from community and technical colleges</p> <p>Served on the college DEI Committee from 2022-Present</p> <p>Administered funding for NOMAS and professional development for under-represented junior faculty.</p> <p>Increased student diversity by 11% (aggregate measure of voluntary demographic data)</p> <p>Expanded full time faculty diversity by 25% (aggregate measure of voluntary demographic data)</p> <p>Initiated the first IPAL cohort of 60% BIPOC students.</p> <p>Expanded participation in AIA Philadelphia Justice in Architecture and Design Education program.</p>
Accreditation	<p>Redesigned and implemented new assessment processes in Fall 2024</p> <p>Coordinated the collection of assessment data in advance of the 2026 NAAB report and visit.</p> <p>Initiated new assessment methods for select studio courses.</p> <p>Facilitated the redevelopment of the comprehensive studio and its pre-requisite technical courses.</p> <p>Authoring the 2025 APR for Continuing Accreditation for the Bachelor of Architecture program.</p> <p>Authored the 2023 Interim Progress Report for the Bachelor of Architecture program.</p> <p>Authored the 2023 Plan to Correct for the Master of Architecture program.</p>

ACADEMIC LEADERSHIP	Dunwoody College of Technology - 2013-2021
Mission/Vision	<p>Led the collaborative creation of the founding principles, as well as the ongoing development of the mission and vision.</p> <p>Created, implemented, led and managed external relations within professional and academic communities.</p> <p>Created and implemented the long range plan.</p>
Curriculum Development	<p>Drafted the initial mission, vision and founding principles along with procedures for their assessment and evolution.</p> <p>Created and implemented the initial associate of applied science and bachelor of architecture degree curricula.</p> <p>Established initial curricular structure, credit totals, requisites, co-requisites, and prerequisites.</p> <p>Established initial core abilities, program outcomes, and course competencies.</p> <p>Authored initial course descriptions.</p> <p>Collaborated with college level administration to establish and implement programmatic assessment processes, data collection, and evaluation.</p> <p>Led the creation and initiation of a second associate of applied science and bachelor of architecture degree curricula.</p> <p>Coordinated and led a participatory curricular development process including faculty, students, administration, and external academic and professional advisors.</p> <p>Led collaborations resulting in the creation of a new curricular structure, credit totals, requisites, co-requisites, and prerequisites.</p> <p>Oversaw the development of core abilities, program outcomes, and course competencies.</p> <p>Collaboratively authored course descriptions.</p> <p>Established course level assessment procedures and re-established programmatic assessment processes and data collection.</p>
Accreditation	<p>Achieved NAAB Initial Accreditation with four conditions met with distinction.</p> <p>Authored the 2013 Eligibility Memorandum. Coordinated and hosted the Eligibility Visit.</p> <p>Authored the 2015 APR for Initial Candidacy. Coordinated exhibits, faculty participation, visit schedule, team room, and team visit for Initial Candidacy.</p> <p>Authored the 2017 APR for Continuing Candidacy. Coordinated all aspects of the team visit for continuing candidacy.</p> <p>Authored the 2019 APR for Initial Accreditation. Coordinated exhibits, faculty participation, visit schedule, team room, and team visit for continuing candidacy.</p>
Resource Development	<p>Established, and expanded physical, financial and information resources.</p> <p>Increased annual revenue from \$300K to \$2.8M.</p> <p>Led the design and construction of studio and classroom improvements including the "super studio", a cross cohort space designed in response to student led Studio Culture initiatives.</p> <p>Established faculty office space for full time and adjunct faculty, along with group and private meeting spaces and archival student work storage.</p> <p>Established a dedicated student advising space and advising resources.</p> <p>Established digital libraries with access to EBSCO Art and Architecture full text search, Material Connexion, and the Avery Index.</p> <p>Established physical libraries through donation and acquisition of over 3,000 periodicals and 6,000 books and monographs.</p>
Student Development	<p>Established a dedicated laboratory space for digital fabrication with access to full scale and at scale fabrication tools.</p> <p>Increased enrollment from 38 to 225 from 2013-2020 across Architecture and Interior Design Programs.</p> <p>Performed all student advising from 2013-2017. Led student advising initiatives across full time faculty from 2017-2020.</p> <p>Initiated recruiting within associates of applied sciences programs nationwide. Oversaw recruiting of first year students through high school outreach and college open house participation.</p> <p>Developed and implemented student retention efforts.</p>
Faculty Development	<p>Established AIAS and NOMAS student chapters</p> <p>Hired and managed 8 full time and 16 adjunct faculty from 2013-2020.</p> <p>Conducted annual faculty performance reviews, promotions, and merit increases.</p> <p>Provided faculty mentorship for internal and external grant applications.</p> <p>Complete annual Faculty Evaluations and Performance Appraisals.</p> <p>Led and performed faculty on-boarding.</p>
Equity, Diversity, Inclusion	<p>Performed tenure review for faculty from University of Louisiana Lafayette and University of South Dakota.</p> <p>Led Equity, Diversity and Inclusion initiatives and increased ethnic faculty diversity by 200% and student diversity by 300% from 2013-2020.</p> <p>Collaborated with students, faculty, administration and staff in the formation of a Learning and Teaching Culture Policy with inclusivity as its organizing principle.</p> <p>Created pathways for students from community and technical colleges nationwide.</p> <p>Established articulation agreements with 14 community and technical colleges with special funding for diverse transferability.</p> <p>Collaborated in authoring an inclusive new curriculum.</p> <p>Authored inclusive admissions criteria which eliminated GPA and portfolio as requirements and included interview and essay criteria.</p> <p>Collaborated in establishing the college's NOMAS chapter.</p> <p>Collaborated in the formation of Conversations in Equity and Design lecture series.</p> <p>Collaborated in the development of Racially Conscious Collaboration training.</p> <p>Established funding to provide emergency funding to BIPOC students.</p>

	Established memoranda of understanding and informal partnerships with 36 organizations serving underserved communities.
	Represented the program in the formation of AIA Minnesota's Equity in the Built Environment Committee.
Online Learning	Led the creation of a three year, online, Bachelor of Architecture completion degree for students from community and technical colleges nationwide.
	Authored, published and established participation in the Integrated Path to Architectural Licensure.
	Codified research on community colleges and transferability toward the establishment of a three year path to licensure for students from community colleges.
	Guided a collaboration with college administration, registration, admissions, and marketing toward the establishment of assessment, resources, faculty development, and faculty training for online education.
	Analyzed community and technical college curricula for 97 architectural two year degree programs.
	Authored and published 67 transfer credit evaluations and transfer guides.
	Authored and published 19 articulation agreements.
	Recruited students for inaugural online Bachelor of Architecture degree cohort.
	Established virtual mentorship, advising and tutoring.
IPAL	Led the successful application for participation in NCARB's Integrated Path to Architecture Licensure
	Authored, published and submitted the application for participation.
	Established a cooperative of 12 firms committed to equitable hiring and AXP mentorship.
	Solicited and collected letters of support from AIA Minnesota, the State of Minnesota Licensing Board, and the College.
	Authored the licensure upon graduation academic plan.

COURSES TAUGHT

Spring 2025	<p>ARCH616 - Design 4 A sustainable tectonics, graduate level studio focusing initially on an energy retrofit of the Chase Lenfest Center as a participant in the Department of Energy Solar Decathlon. A "housing without displacement" studio focusing on multifamily, infill row housing serving the Chase Lenfest Center's mission and neighborhoods</p> <p>ARCH616 - Master of Architecture Capstone Studio A research studio focusing on systems to end homelessness globally</p>
Fall 2024	<p>ARCH616 - NEXUS Design Studio A vertical research studio focusing on the discovery of new housing typologies to end homelessness in Philadelphia</p>
Spring 2024	<p>ARCH372 - Architectural Publication A special topics course focusing on the role of print and digital publication in practice and academia across multiple design disciplines. The course culminated in the publication of the annual journal, Spacework.</p> <p>ARCH616 - Master of Architecture Capstone Studio A research studio focusing on systems to end homelessness globally</p>
Fall 2023	<p>ARCH630 - Research Methods An architectural research methods lecture and seminar course focusing on assumptions, challenges, and discoveries methods along with thick mapping visual research methods.</p> <p>ARDS381 - Independent Study Capstone Topical, applied research focusing on AR/VR/AI and coastal resiliency.</p>
Spring 2023	<p>ARCH508 - Design 10 An architectural design studio focusing on proposals within the built environment to participate in ending homelessness.</p> <p>ARDS381 - Independent Study Capstone Topical, applied research focusing on AR/VR/AI and coastal resiliency.</p>
Fall 2022	<p>ARCH507 - Design 9 A research studio focusing on systems to end homelessness within the City of Philadelphia</p> <p>INTN493F - Internship I An independent study, internship for credit course</p>
Fall 2021	<p>ARCH3110 - Site and Site A social justice and design fundamentals studio engaging a Latinx Arts and Cultural Center in East Lake</p> <p>ARCH3120 - 2D Rendering A critical representation and design fundamentals workshop engaging 2D media and technologies.</p> <p>ARCH3340 - Landscape A seminar focusing on the relationship between buildings, and landscape, architecture, and landscape architecture</p>

Spring 2021	ARCH4101 – Critical Representation A focused seminar on hybridized modes of drawing and visual communication
	ARCH4101 – Critical Representation A focused seminar on hybridized modes of drawing and visual communication
	ARCH510 – Comprehensive Studio A graduate level integrative studio focusing on design, social justice, and the 3rd Precinct site in Minneapolis
	ARCH2201 - Portfolio An examination and generation of a personal, professional portfolio in multiple publishing media
	CSBT1000 – Freshman Seminar An introduction to the profession, professionalism, practice, and service
Fall 2020	ARCH4203 - Culture Analysis of cultural design at global, urban and local scales.
	ARCH5203 – Applied Research Application of established research methods toward parametric mapping of informal settlements
	ARCH1102 – Studio 1 An introduction to diverse design technologies and modes of representation
	ARCH4101 – Critical Representation A focused seminar on hybridized modes of drawing and visual communication
	ARCH5103 – Professional Practice – co-taught with Choy Leow An overview and analysis of the legal, professional, and ethical aspects of professional practice.
Spring 2020	CSBT1000 – Freshman Seminar An introduction to the profession, professionalism, practice, and service
	ARCH4204 – Studio 8 A research based studio examining affordable housing in the East Lake corridor
Fall 2019	ARCH1104 – Building Systems An introduction to building structural, envelope, environment, and service systems
Spring 2019	ARCH5203 – Applied Research Self-guided and fully formed research methodologies applied to current works
Fall 2018	ARCH4103 – Structures An examination of building structures and their relationship to design intent
Spring 2018	ARCH4202 – Studio 8 A service learning, travel study initiative to design resiliency in Ponce, Puerto Rico
Fall 2017	ARCH4102 – Studio 7 A service learning studio designing the Community Food Center with Frogtown Farm and the Art of Food
Spring 2017	ARCH4201 – Thesis Seminar A debate format seminar engaging in provocations surrounding integrative thinking and design
	ARCH2203 – Statics and Material Strengths An overview of the mathematical and quantitative aspects of materials and their structural capacities
	ARCH5102 – Studio 9 A comprehensive studio integrating design thinking and technical knowledge in a self-guided work
	IDSN3220 – Interior Design Portfolio An examination and generation of a personal, professional portfolio in multiple publishing media
Fall 2016	ARCH1102 – Studio 1 An introduction to diverse design technologies and modes of representation
Spring 2016	ARCH2101 – Visualization Engagement with design technologies toward hyper real architectural visualization
	ARCH3203 – History of Architecture I A survey of architectural history from pre-historic to modernity
	ARCH2202 – Studio 4 A service learning studio designing affordable housing for returning veterans with Housing Our Heroes
	ARCH2203 – Statics and Material Strengths An overview of the mathematical and quantitative aspects of materials and their structural capacities
Fall 2015	ARCH1101 – Freshman Seminar An introduction to the profession, professionalism, practice, and service
Spring 2015	ARCH2201 – Portfolio An examination and generation of a personal, professional portfolio in multiple publishing media
	ARCH3102 – Studio 5 A service learning design/build studio at the Marsden/Gustafson Gallery with IFP Minnesota
	ARCH2102 – Studio 3 A comprehensive studio examining housing within the Prospect Park Innovation District
Fall 2014	ARCH1102 – Studio 1 An introduction to diverse design technologies and modes of representation
Spring 2014	ARCH1202 – Studio 2 An introduction to building information management and construction documentation
	ARCH2101 – Visualization Engagement with design technologies toward hyper real architectural visualization
	ARCH2201 – Portfolio An examination and generation of a personal, professional portfolio in multiple publishing media
	ARCH1101 – Freshman Seminar An introduction to the profession, professionalism, practice, and service
	ARCH1202 – Studio 2

	An introduction to building information management and construction documentation
	ARCH1204 – Building Envelope Systems
	An overview and case study analysis of conventional and experimental building envelope design
	ARCH2101 – Visualization
	Engagement with design technologies toward hyper real architectural visualization
	ARCH2250 – Material Science
	A service learning, design build initiative engaging the Minneapolis Downtown Improvement District
Fall 2013	ARCH1102 – Studio 1
	An introduction to diverse design technologies and modes of representation
	ARCH1104 – Structural Systems
	An overview and case study analysis of conventional and experimental structural system design
	ARCH2140 – Architectural Engineering
	A service learning, design/build initiative with the Minneapolis Downtown Improvement District
Spring 2013	ARCH2104 – Studio 4
	An application of construction documentation through building information management
	ARCH2250 – Building Science
	An in- house design build initiative exploring materials and their relative structural properties
Spring 2010	ARCH3250: Design Workshop
	Engagement with design technologies toward hyper real architectural visualization
Spring 2006	ARCH5212 – Studio V: Advanced Design
	A service learning, travel design build studio engaging the Lower 9 th Ward in New Orleans
Fall 2005	ARCH5212 – Studio V: Advanced Design
	A research studio surveying the causality and designing interventions within informal settlements

AREAS OF RESEARCH

2022-Present	Ending Homelessness
	A guide to cities for systemically ending homelessness through new typologies of non-market housing
2021	Mapping of Informal Settlements
	An applied research collaboration with thesis students to form growth, decay, and fracture critical models of future growth based on past data using parametric technologies
2020	COVID + Public Housing
	A research, design and fabrication initiative providing affordable, rapidly delivered face coverings to all employees and residents of Minneapolis Public Housing in the critical early weeks of the pandemic.
	Homelessness + Healthcare
	A temporary housing development designed to bypass city zoning, provide temporary shelter for the homeless, and alleviate the impact of the homeless on healthcare within emergency rooms
2019	Resiliency In the Caribbean - Davyton, Jamaica
	A service learning, travel study initiative to design a new community center, sports facility and school in the rural community of Davyton, Jamaica.
2018	Resiliency in the Caribbean - Ponce, Puerto Rico
	A service learning, travel study initiative to design resiliency in Ponce, Puerto Rico through the design, publication and dissemination of disaster preparedness guides for existing residents
2012	Urban Farming - Frogtown Farm
	A service learning studio designing the Community Food Center with Frogtown Farm and the Art of Food
2006	Decentralized Infrastructure
	A service learning, travel design build studio engaging the Lower 9 th Ward in New Orleans
2005	Phylogeny of the American Home
	A graphic research project depicting parallels between artificial evolution and the American home

SELECT ACADEMIC WORKS

2022-Present	Ending Homelessness
	A series of research based studios focused on local, national and international systems for ending homelessness
2019	Davyton Crossroads
	A service learning, travel study initiative to design a new community center, sports facility and school in the rural community of Davyton, Jamaica.
2018	Puerto Rico Resiliency Guide
	A service learning, travel study initiative to design resiliency in Ponce, Puerto Rico through the design, publication and dissemination of disaster preparedness guides for existing residents
2017	Frogtown Community Food Center
	A service learning studio designing the Community Food Center with Frogtown Farm and the Art of Food
2016	Housing Our Heroes
	A service learning studio designing affordable housing for returning veterans with Housing Our Heroes
2015	Marsden/Gustafson Gallery
	A service learning design/build studio at the Marsden/Gustafson Gallery with IFP Minnesota
2013	Skyway Open
	A service learning, design/build initiative with the Minneapolis Downtown Improvement District
2006	The Slum Studio
	A survey and critical representation of global urban slums and their causality.
	L9 Farmers Market

A service learning, travel design build studio engaging the Lower 9th Ward in New Orleans

SELECT PROFESSIONAL WORKS

2021-Present	Ocean Boulevard A multi-family estate in Golden Beach, Florida
2020	Lincoln A new single family home in Northeast Minneapolis
	TMBR An 11 story owner occupied cross laminated timber housing development
2019	800 Washington A carbon sequestering concrete, 10 story multi-family and commercial development
	Northside Housing A pro bono two family affordable housing development
2018	Everwood A 30 acre sustainable farming master plan and site harvested wood clad, caretakers quarters
2017	Film North A non-profit center for independent filmmaking at the historic Vandalia Tower.
2016	Troutbrook A new single family in a WPA forest
	Valentine A new single family home on a small, irregular site within a mature oak grove
2015	Infill A new single family home designed to Passive House standards
	Lake Sarah A new single family home designed to restore a damaged waterfront
	NELW Live/work spaces within an established neighborhood two story storefront building
2011	Burgess A recession responsive new single family home on a double wooded lot
2006	Five A LEED Platinum single family home
2001	Elvas Contemporary Art Museum An adaptive reuse competition in Elvas, Portugal
