Class of 2025

# First Destination Career Outcomes

**Thomas Jefferson University** prepares students not only to land top internships and jobs, but to become industry leaders. At Jefferson, our transdisciplinary, professionally focused approach to education prepares students to collaborate across disciplines and address real-world challenges. Consistent with this approach, the Marianne Able Career Services Center helps students and alumni capitalize on their Jefferson experience, helping them achieve their professional goals.

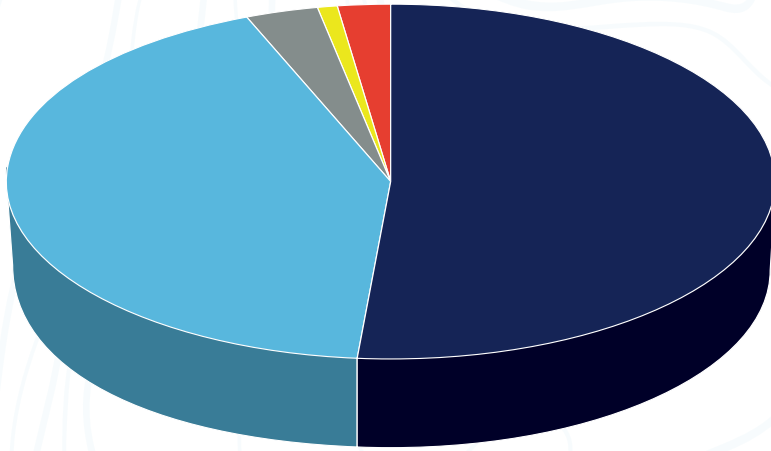

---

This report includes data from undergraduate day students who graduated from **Jefferson's East Falls Campus** in August 2024, December 2024 and May 2025. Statistics are derived from a survey collection pool of 372 graduates from a total graduating class of 508 (representing a 73% knowledge rate). Response sources include: self-reported survey responses, faculty/staff outreach and LinkedIn profile verifications. Of the 372 graduates with information provided, 362 or 97% have reported post-graduation employment in fields related to their major/career interests, graduate school acceptance, volunteering or taking a gap year.

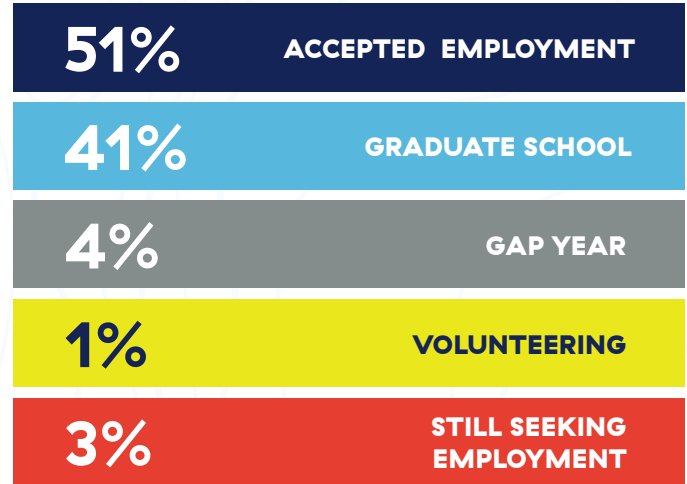

Further broken down, 189 graduates are employed (51%); 155 are enrolled in continuing-education programs (41%); 15 are taking a gap year (4%); three are volunteering (1%); 10 indicated they were still seeking employment in their field of study at the time of this report (3%).
