

Work Environment

Major & Career Exploration

It is important to note the specific criteria you are seeking in a work environment as you consider various career paths. It will also be important to use these criteria when evaluating job or internship opportunities you may choose to apply to.

Check and describe the criteria that you believe would be a part of your ideal work environment. Consider writing in other characteristics that are important to you if they are not listed.

<p>Organizational Surroundings</p> <p>formal relaxed outdoor indoor other</p> <p><i>*don't forget to describe what you've checked!</i></p>	<p>Type of Organization</p> <p>small large established new other</p> <p><i>*don't forget to describe what you've checked!</i></p>
