

Honors Cornerstone Overview

Honors Cornerstone Suggested Process:

1. Review the cornerstone outcomes, prompts, and suggested activities
2. Identify experiences that both align with the cornerstones and your professional and academic goals.
3. Meet with Honors to discuss any questions or concerns.
4. Complete 20 hours PER cornerstone over your undergraduate education (80 hours total)
5. Make note of anecdotes and thoughts to help keep your reflection specific and personal.
6. Write a thoughtful reflection framing your experience in terms of the cornerstone outcome.
7. Edit and submit reflection ONE semester before completion of undergraduate courses.

Question Cornerstone

20 hours of co-curricular inquiry or research and a reflection that demonstrates how you creatively pursue your own questions using appropriate resources
