

Hallmarks Curriculum Map for *B.S. in Textile Design*

The chart below indicates courses in your major and in the Hallmarks Core where your learning will address the 8 different Hallmarks learning goals. Your work in these courses (or from other appropriate courses in each category) can be added to your Hallmarks learning portfolio, along with a short reflective essay, to document your progress and achievements in each goal.

Your experiences in co-curricular activities can also be connected with the 8 learning goals and included as artifacts in your portfolio.

In your finished portfolio, you will have 2 items, from two different parts of your educational experiences, for each of the 8 learning goals (for a total of 16 items). For more information about the Hallmarks Program, go to <https://www.jefferson.edu/university/hallmarks-program.html>

Learning Goal	Hallmarks Core courses	Courses in your major	Co-curricular activities
Rigorous Inquiry	AMST 114 Science WRIT-101	WRIT 201/2 ADIV ISEM	DECS 206/8, TEXC 202/202L, TEXT 307
Critical Analysis	MATH Science ADIV	ETHC ISEM CGIS 300	Textile Design Designated Electives, TEXT 307, TEXC 202/202L
