

THE MIDWIFERY INSTITUTE OF PHILADELPHIA UNIVERSITY ADMISSIONS ESSAY FORM

Please compose a brief response (1-3 paragraphs) for each item listed:

- Your past experiences with midwifery, and why you want to be a midwife.
- How you see the role of midwives and how it differs from the practices of nursing and medicine
- Your experience with distance education and what you anticipate your strengths and challenges will be in using this mode of education.
- Why now is a good time for you to start your midwifery education?
- How you will adapt your life to integrate the time and energy necessary for success as a midwifery student.
- Characteristics and experiences you will bring to midwifery

This essay is an essential component of your admissions packet. It will be reviewed by your interviewer and the admissions committee.

The essay will be evaluated for content, grammar, spelling, organization and writing style.
