

FINANCE

CREDITS 12

INTRODUCTION

Finance plays a crucial role in all profit and nonprofit organizations. The minor provides students with knowledge of the global financial markets, financial institutions, financial instruments, and valuable financial tools that can be used to analyze the financial viability of all decisions.

COURSES

Select four of the following

FIN 301	Principles of Finance (required for non-business students)
FIN 303	Intermediate Financial Management
FIN 318	International Finance and Development
FIN 321	Investments & Portfolio Management
FIN 322	Capital Market and Financial Institution
FNI 412	Financial Modeling
