

LAW and SOCIETY

CREDITS 12

INTRODUCTION

The Law and Society minor will contribute to students' understanding of law from interdisciplinary perspectives (sociology, psychology, anthropology and political science). It will prepare students for professional careers in fields that rely on critical thinking and written and oral advocacy skills. The Law and Society minor will also provide a firm background in legal, political and social issues for students who are focusing on a broad array of other professional fields at Thomas Jefferson University such as professional communications, pre-med, environmental sustainability, business, design, psychology, midwifery and physician assistance.
