# May Career Seminar Series

This month's seminar features medical & science communications careers!

Learn about science/medical editing, publishing and digital story telling! **Hear from four communication specialists** with expertise in strategic planning, scientific services and medical writing! Stick around for a **live Q&A session** at the end!

**Monday, May 22<sup>nd</sup>, 2023**

**3:00 – 4:00pm**

**Virtual Event**

**Zoom Meeting ID: 840 629 3141**

Rohan Keshwara, PhD, CMPP, is the Senior Manager of Worldwide Scientific Publication in Hematology/Cell Therapy at Bristol Myers Squibb. TJU alumnus with expertise in medical writing, communicating clinical trial data and developing training modules.

Alison Shupp, PhD, in Genetics and Cancer Biology from TJU. Director of Scientific Services at PPM Advisory group for Red Nucleus. She works on developing workshops, print/digital pieces and competitive intelligence strategy.

Lucas Brand, PhD, in Microbiology and Immunology. Senior Editor for the AACR publications division. He is the content editor for the open access journal *Cancer Research Communications* and responsible for the planning and development of the journal's pre-launch.

Alexis Shirk, PhD, in Cell Biology and Regenerative Medicine from TJU. She is an enthusiastic science communicator and medical editor for Caudex, an IPG Health Company.
