

**SEMINAR SERIES**

This month's series features **SEED Therapeutics**, an up-and-coming Biotech start-up. **SEED** is pioneering the development of novel protein degradation therapeutics. They are establishing a growing pipeline of exciting drug candidates on the path to clinical success.

Come hear from three **SEED** employees and learn about different company roles! Stick around for a live Q&A session!

***Virtual Event*****Wednesday, February 28th, 2024****Time: 4pm-5pm****Zoom Meeting ID:****840 629 3141**
