

# Science Communication Event

## Panel Discussion on How to Pitch Science Writing!

Come meet with our panel of experts in science/health journalism. Learn what journalism is like as a career and what journalists do to land the stories they write in outlets like the New York Times and many others.

**Queen Muse**

Lead writer for Philadelphia magazine's latest digital platform: NextHealth PHL

**Melinda Wenner Moyer**

Freelancer, columnist for Slate and contributing editor for Scientific American

**John Kopp**
