PMSI'S DRIVE-THRU **FREE** DIABETES HEALTH FAIR

SATURDAY NOVEMBER 14 9 AM - 12 PM

Promoting health and education for those with diabetes and those at risk for diabetes.

Attend our **FREE** annual program, with a twist! We're observing coronavirus safety guidelines during National Diabetes Month while providing you, our guests, with information and tips proven to prevent or delay Type 2 diabetes (the most common form) in many people and self management skills for those with diabetes.

Stay in your car and just drive-through our administrative offices' circular entrance and exit at 1601 Medical Dr., Pottstown PA. You'll receive plenty of helpful information on diabetes education and self management skills, healthy snacks, and chances to win some attractive door prizes.
