

# ***COVID-19: Spread the Science, NOT the Virus***

## ***Clinical Lessons from the Northeast Surge***

**Tuesdays at 4:00 pm ET from July 21 - September 29, 2020**

Join the Northeast Hospital Associations and the Jefferson College of Population Health weekly to learn about approaches to and solutions for the clinical dilemmas that arose during our surge.

Webinar sessions are limited to the first 500 attendees. Recordings of the webinars will be made available to all hospitals on the [Jefferson Digital Commons](#).

**July 21: Managing Acute Kidney Injury in the Setting of the Patient Surge**

**July 28: Obstetrics & Birthing During COVID-19**

**[Visit our Website](#)**  
To register & for more detailed information
