

## Petition for Advancement to Candidacy for the PhD

*The Petition for Advancement to Candidacy may be submitted upon completion of all core and specialization coursework (including 3 credits of PHS 660 and 4 credits of PHS 700) and earning a passing grade in PHS 801 (signifying a successful Defense of both parts of the Comprehensive Examination). The proposed Dissertation topic and Chair may be changed at a later date. You may not register for PHS 805 or begin working on any part of the Dissertation until this form has been submitted and accepted by the College. Submit this completed form to the Assistant Dean for Student and Alumni Affairs.*
