

## CHILD ACTIVITY SHORT FORM GUIDE

For each question, choose one of the answers below that is most like you:

**Cannot do** = I cannot do this on my own. If I need to do this, I always need someone's full help.

**Really hard** = I am able to do this only with extra time and very strong effort. I almost always need someone's help.

**Hard** = I am able to do this some of the time, but I may need extra time, and it may take a good effort. I often need someone's help.

**A little hard** = I am able to do this almost all of the time, but I may need extra time and it may take a little effort. I don't usually need someone's help.

**Easy** = I am able to do this without someone's support or help.

Now that you know what each answer means, use this to help you answer the questions.
