

# Tuition, Fees, and Room & Board

## Academic Year 2025–2026

This page stipulates the tuition and fees that are applicable to each academic program for **one academic year (noted below)**. You should consult with your academic department to determine if your program contains additional terms such as a summer term. If so, additional tuition and fees may apply. Please consult with your academic department for information about charges for subsequent academic years.

Fees listed below may be applicable to your academic program:

- **General fee:** used for the maintenance and enhancement of student and academic support services. Services include, but are not limited to health center services, transportation services, IT/Library Fees (if not charged those specific fees), and student activities.
- **Departmental fee:** used for various supplies related to the academic program. Please contact your academic program for more information.
- **Studio fee:** used to support and enhance the studio learning experience.
- **IT fee:** supports the network/Wi-Fi, IT help desk, software tools, and other related services to enhance the student's online experience while at Thomas Jefferson University.
- **Library fee:** assist in the acquisition of library resources and services.

Students should refer to their bills for the most up-to-date information on tuition and costs as Thomas Jefferson University reserves the right to amend, modify, or rescind any of the charges as described on this website as circumstances may require without prior notice. Students are responsible for the full payment of charges as set forth on their bills.
