The Campaign
for Jefferson

Reimagine is our commitment to raising the resources it takes to change the world, not in a small way or a single way, but in multiple, meaningful ways—swiftly and simultaneously. By focusing on four key themes, we're going to change the future for Philadelphia and beyond:

People Leading Optimistic Revolutions

Spaces that Heal and Inspire

Communities United for Health Equity

Discoveries that Improve Lives

This is your chance to make a difference. This is your moment to say, **"i'm in."**
