EDUCATION

Thomas Jefferson University – Philadelphia, PA

Aug. 20XX

Bachelor of Science in Biotechnology

GPA: 3.5/4.0

RELATED EXPERIENCE

Burlington County College – Pemberton, NJ

Sept. 20XX-Present

Microbiology Laboratory Technician

- Prepared various media by combining appropriate solids, buffers, and the introduction of antibiotics for the use of the entire microbiology department
- Facilitated successful bacterial growth and transfer in created media while using aseptic technique
- Ordered laboratory supplies for use by all scientific departments

Thomas Jefferson University Hospital for Neuroscience – Philadelphia, PA Dec. 20XX Aug. 20XX

Laboratory Aide

- Processed specimen via SunQuest MYSIS
- Logged in and delivered to the floor
- Gained knowledge and experience with the following analyzers: coagulation studies via Diagnostica Stago, blood gas determination via the Bayer 855 and Bayer Rapid Point 400, chemistry profile analysis via Cx 3 Beckman Coulter, hematological studies via HMX Beckman Coulter, osmolality determination via The Advanced Micro Osmometer Model 2200, urinalysis via Bayer Clinitek 50

SKILLS & ABILITIES

- Agarose gel electrophoresis
- SDS-Page
- Cell growth in culture
- Solution Preparation
- Proper handling of biological samples
- PCR/RT-PCR
- Western and Southern Blot
- Immunodetection

RELATED COURSE WORK

Protein Purification and Characterization, Molecular Diagnostic Techniques, Immunology, Flow Cytometry

ACTIVITIES & AWARDS

- American Society for Biochemistry and Molecular Biology, member Oct. 20XX
- ABC Vocational Scholarship, awarded for high academic achievement Sept. 20XX
