THOMAS JEFFERSON UNIVERSITY REDEFINES HEALTHCARE

A COMMUNITY OF LEARNERS

As leaders in education, research, healthcare delivery and community service, we are committed to providing our students, faculty, staff and communities with the highest quality of care and education. Our students come from diverse backgrounds, and we are proud to support their growth and development in a welcoming and inclusive environment.

INTERPROFESSIONAL FOCUS

Our interprofessional education prepares students to work as part of teams to deliver high-quality care. By integrating knowledge across disciplines, Jefferson students develop a comprehensive understanding of healthcare and gain the skills necessary to provide compassionate, effective care.

REAL WORLD EXPERIENCE

Jefferson’s innovative educational programs provide students with real-world experiences. Through our affiliation sites, students gain hands-on experience in diverse settings, working with patients and communities to achieve the best possible outcomes. Our students are at the forefront of health care innovation, working to improve the lives of patients and communities.

The Jefferson Difference

The dual admission nursing program enables high school students to apply to Jefferson as a high school student and your BSN at Jefferson in a seamless, integrated curriculum.

The General Agreement entitles students from partner institutions admission to Jefferson for a BS/Master’s degree in Nursing, Occupational Therapy, Radiologic Sciences or Bioscience Technologies.

To apply for admission just once using the partner agreement, you must enroll in the ASN or diploma program at a partner school. After graduating with the ASN or diploma in nursing at a partner community college or hospital under the following conditions:

• The students must have earned at least a “C” in all prerequisite coursework

• All prerequisite coursework must be completed before you enter the program

• The prerequisite courses for each of our programs should be completed within 10 years of application to Jefferson

• Courses must be completed with a grade of "C" or above to be eligible for transfer. A grade of "C-" or below will not be accepted for transfer

• The students must have earned at least a “C” or diploma in nursing

To view tuition and fees, please visit www.jefferson.edu/financial_aid.

For more information, go to www.jefferson.edu/financial_aid.

THOMAS JEFFERSON UNIVERSITY RESERVES THE RIGHT TO MAKE CHANGES IN PROGRAMS WITHOUT NOTICE TO PERSONS WHO APPLY OR ARE ENROLLED.

September 10, 2013

Jefferson offers a unique opportunity to complete your education as a high school student by applying to Jefferson as a Preprofessional student. Learn more about the Jefferson Difference at www.jefferson.edu/explore_admissions.

Next steps

1. Identify your program of choice and review the prerequisites inside this brochure.

• Once you complete all prerequisites before you apply, the prerequisite coursework will be validated and no exam is required

• Until otherwise noted below the program prerequisites, all science courses must be completed with a grade of "C" or above to be eligible for transfer. A grade of "C-" or below will not be accepted for transfer

• The prerequisites for each of our programs are located inside this brochure.

2. Request information about your program of choice at explore.jefferson.edu/webview. After entering your contact information you will have a personal website to explore.

Next steps

Jefferson has a variety of programs to choose from:

- Physician Assistant Studies
- Physical Therapy
- Occupational Therapy
- Pharmacy
- Bioscience Technologies
- Couple and Family Therapy
- Pre-Fall 2014 • Fall 2014 • Spring 2015

To learn more about the Jefferson Difference, visit www.jefferson.edu.

Jefferson is a bricks and mortar example of this collaborative spirit is the campus' high-tech Dorrance H. The reduction of the 14-floor building, which contains classrooms, laboratories, and computer centers for all students, is a dynamic, interprofessional setting. At Jefferson, programs are purposefully designed so that students learn by doing. A bricks and mortar example of this collaborative spirit is the campus' high-tech Dorrance H. The reduction of the 14-floor building, which contains classrooms, laboratories, and computer centers for all students, is a dynamic, interprofessional setting. At Jefferson, programs are purposefully designed so that students learn by doing.

Jefferson students have the knowledge, experience and confidence to be successful. In addition to getting the knowledge and skills to succeed, Jefferson students gain a distinct career advantage. A Jefferson degree means circle the goal to make a career in some field.

A Jefferson education enables high school students to apply to Jefferson’s RN-BSN program. The dual admission nursing program allows students to earn both an Associate of Science in Nursing degree after passing the NCLEX-RN exam, earning prerequisite credit and gaining a distinct career advantage. A Jefferson degree means circle the goal to make a career in some field.

To learn more about the Jefferson Difference, visit explore.jefferson.edu.
To apply for admission to Jefferson's RN-BSN program for a future term while enrolled in the ASN or diploma program at a partner community college or hospital school of nursing, you must:

- Meet all academic requirements for Jefferson’s BSN program.
- Be a registered nurse.
- Have earned a minimum of 60 college credits (of which at least 30 credits are earned at Jefferson).
- Provide official transcripts from all previously attended institutions.
- Pay the application fee.

The dual admission nursing program allows students to earn both an associate degree (ASN) or diploma in nursing at a partner community college or hospital school of nursing and a bachelor's degree from Jefferson. Upon successful completion of the ASN or diploma program and the prerequisite courses for each of our programs, transfer to Jefferson to complete a 2-year program in nursing and a 2-year program in the chosen discipline. Transfer students must meet all technical standards for the program. Refer to the online catalog for details on the Admissions General Agreement.

3. Apply for admission to Jefferson's RN-BSN program.

4. Pay the application fee.

5. Submit official transcripts from all previously attended institutions.

6. For more information, go to www.jefferson.edu/financial_aid.

FINANCIAL AID

• Dean’s Scholarships are available for students showing academic merit.
• Work-study positions, such as teaching/lab assistants, tutors, etc., are available for eligible students who demonstrate financial need.
• For more information, go to www.jefferson.edu/financial_aid.

To learn more about Jefferson’s Difference, visit www.jefferson.edu.

To view tuition and fees, please visit www.jefferson.edu/registrar/tuition.

The General Agreement entitles students from partner institutions admission to Jefferson under the following conditions:

• You must be a registered nurse with a valid RN license in Pennsylvania.
• You must be enrolled in an Associate Degree in Nursing (ASN) or diploma program at a partner community college or hospital school of nursing.
• You must successfully complete all of the prerequisite coursework for each of Jefferson’s programs with a grade of “C” or better.
• You must maintain a minimum GPA of 2.75 in all prerequisite coursework.

Please note that the dual admission program is designed for students who are already enrolled in an Associate Degree in Nursing (ASN) or diploma program at a partner community college or hospital school of nursing. Students may apply to Jefferson during their senior year of high school. Accepted students are guaranteed admission for the junior year of college, provided all prerequisite courses are completed and maintained standards.

FINANCIAL AID

• Dean’s Scholarships are available for students showing academic merit.
• Work-study positions, such as teaching/lab assistants, tutors, etc., are available for eligible students who demonstrate financial need.
• For more information, go to www.jefferson.edu/financial_aid.

THOMAS JEFFERSON UNIVERSITY REDEFINES HEALTHCARE EDUCATION BY PREPARING STUDENTS TO BE MEMBERS OF TOMORROW’S INTEGRATED HEALTHCARE TEAM. JEFFERSON IS THE CENTER FOR INNOVATION IN EDUCATION, RESEARCH, HEALTHCARE DELIVERY AND PATIENT EXPERIENCE.
Next steps

1. Identify your program of choice and review the prerequisites inside the brochure.
   - Note that you cannot complete prerequisites before you apply, but the majority of prerequisites can be completed concurrently with your application. Any completed coursework will be assessed.
   - Students admitted into Jefferson prior to completing required prerequisites will be required to complete the remaining coursework prior to their first term at Jefferson.

2. Request information about your program of choice at explore.jefferson.edu/overview. After entering your contact information you will receive a personal website to explore.

FINANCIAL AIDS

- Work-study positions, such as teaching/lab assistants, tutors, etc., are available for students who demonstrate financial need.
- Dean’s Scholarships are available for students showing academic merit.
- Graduate Assistantships (GAs) allow some students to finance their education while gaining valuable professional experience.
- More than 60% of Jefferson students receive financial assistance.

The University offers a wide variety of aid options, including federal aid, institutional aid, some state aid, and employer assistance. For more information, please visit www.jefferson.edu/explore_admissions.

1. Prepare for Jefferson as a high school student. Learn about these options inside.
2. Request information about your program of choice at explore.jefferson.edu/overview. After entering your contact information you will receive a personal website to explore.
3. Apply for admission just once using the partner agreement.

To apply for admission to Jefferson’s RN-BSN program for a future term while enrolled in another college, students must have earned at least a 2.7 cumulative GPA, be enrolled in an accredited baccalaureate nursing program, complete prerequisite coursework, and pass the NCLEX-RN exam. Jefferson’s RN-BSN program is designed for students who have completed their associate degree in nursing and are seeking to complete their bachelor’s degree in nursing.

The General Agreement entitles students from partner institutions admission to Jefferson’s RN-BSN program. These agreements are available for:
- Chestnut Hill College
- Juniata College
- Muhlenberg College
- Immaculata University
- Villanova University
- Saint Joseph’s University
- Pennsylvania State University Abington

The General Agreement grants students from schools with whom Jefferson has an established General Agreement admission to Jefferson’s RN-BSN program. These agreements are available for:
- Chestnut Hill College
- Juniata College
- Muhlenberg College
- Immaculata University
- Villanova University
- Saint Joseph’s University
- Pennsylvania State University Abington

General agreements entitle students from schools other than those with whom Jefferson has an established General Agreement admission to Jefferson’s RN-BSN program. These agreements are available for:
- Pennsylvania State University Hershey
- Pennsylvania State University New Kensington
- Pennsylvania State University Mont Alto
- Pennsylvania State University Brandywine
- Pennsylvania State University Altoona
- Pennsylvania State University Keystone
- Pennsylvania State University Erie
- Pennsylvania State University Greensburg
- Pennsylvania State University York-Penn State Harrisburg
- Pennsylvania State University Greater Allegheny

The Dual Defendant Nursing Program allows students to earn both an associate degree in nursing and a bachelor’s degree in nursing at the same time. This program requires students to complete both programs concurrently. All prerequisites must be completed prior to enrollment at Jefferson. All prerequisite coursework must be completed prior to enrollment at Jefferson.

For more information, contact the Office of Undergraduate Admissions at 1-877-JEFF-247 or visit the Office of Undergraduate Admissions website at www.jefferson.edu/explore_admissions.

There are three ways to apply to Jefferson:

- In-person on campus or at a partner school representative.
- Transfer students are encouraged, but not required, to attend an orientation day.
- Students who demonstrate financial need are eligible for transfer.

To apply, students must have earned at least a 2.7 cumulative GPA, be enrolled in an accredited baccalaureate nursing program, complete prerequisite coursework, and pass the NCLEX-RN exam.

Students admitted into Jefferson prior to completing required prerequisites will be required to complete the remaining coursework prior to their first term at Jefferson. Students who complete all prerequisites prior to enrollment at Jefferson will be granted credit for those courses.

The University encompasses Jefferson School of Health Professions (consisting of School of Dental Medicine, School of Medicine, School of Nursing, School of Pharmacy, School of Physician Assistant Studies, and the Professional and Continuing Education Division), Jefferson School of Population Health, the College of Arts and Sciences, and the School of Business. The University also includes the Jefferson Health System, Jefferson University Hospital, and several other health care facilities, including Jefferson Medical College and Jefferson University Hospital.

The Department of Occupational Therapy offers two programs: Occupational Therapy Assistant (OTA) and Occupational Therapy Doctorate (OTD). Both programs are designed to prepare students for entry-level practice in the field of occupational therapy.

OTD Program:
- Pre-requisites: Chemistry, College Algebra, Calculus, or Pre-calculus.
- Credits: 97
- Duration: 3 years
- Start: Fall
- Application: Due by November 1
- Tuition: $40,000 per year
- Prerequisites: Admission is competitive and based on GRE scores and academic performance.

OTA Program:
- Pre-requisites: High school diploma or equivalent
- Credits: 68
- Duration: 2 years
- Start: Fall
- Application: Due by February 1
- Tuition: $30,000 per year
- Prerequisites: Admission is competitive and based on GPA and academic performance.

The Department of Psychology offers a range of programs, including Bachelor of Science (BS), Bachelor of Arts (BA), Master of Science (MS), and Doctor of Philosophy (PhD) degrees. The Department is committed to excellence in research, teaching, and service, and is recognized for its strong graduate programs.

BS Program:
- Pre-requisites: High school diploma or equivalent
- Credits: 120
- Duration: 4 years
- Start: Fall
- Application: Due by January 1
- Tuition: $35,000 per year
- Prerequisites: Admission is competitive and based on GPA and academic performance.

MS Program:
- Pre-requisites: Bachelor's degree in psychology or a related field
- Credits: 36
- Duration: 2 years
- Start: Fall
- Application: Due by January 1
- Tuition: $35,000 per year
- Prerequisites: Admission is competitive and based on GPA and academic performance.

PhD Program:
- Pre-requisites: Master's degree in psychology or a related field
- Credits: 72
- Duration: 5 years
- Start: Fall
- Application: Due by January 1
- Tuition: $35,000 per year
- Prerequisites: Admission is competitive and based on GPA and academic performance.

The Department of Biostatistics offers a Master of Science (MS) degree in Biostatistics. The program is designed to provide students with a strong foundation in statistical theory and methods, as well as practical experience in the application of biostatistics to real-world problems.

MS Program:
- Pre-requisites: Bachelor's degree in statistics or a related field
- Credits: 36
- Duration: 2 years
- Start: Fall
- Application: Due by January 1
- Tuition: $35,000 per year
- Prerequisites: Admission is competitive and based on GPA and academic performance.

The Department of Physical Therapy offers a Doctor of Physical Therapy (DPT) program designed to prepare students for entry-level practice in physical therapy.

DPT Program:
- Pre-requisites: Bachelor's degree in a related field
- Credits: 112
- Duration: 3 years
- Start: Fall
- Application: Due by January 1
- Tuition: $40,000 per year
- Prerequisites: Admission is competitive and based on GPA and academic performance.

The Department of Radiologic Sciences offers a range of programs, including Associate of Science (AS), Bachelor of Science (BS), and Master of Science (MS) degrees.

AS Program:
