Jefferson is known for crossing disciplines to reimagine the way students learn with an approach that is collaborative and active; global; integrated with industry; focused on research across disciplines to foster innovation and discovery; and technology-enhanced. As a national doctoral research university, Jefferson delivers high-impact professional education in 160 undergraduate and graduate programs to 7,800 students in architecture, business, design, engineering, fashion and textiles, health, social science and science.

The School of Business prepares students for the future of business with the disciplinary depth and interdisciplinary breadth to innovatively confront the challenges that exist in the 21st-century and beyond. The school reflects the University’s focus on innovation, professional training and the liberal arts through active learning and real-world problem solving, and emphasizing collaboration across disciplines and with external partners for professional readiness and networking exposure.

**CAREER and INTERNSHIP HIGHLIGHTS**

Management positions are available in many areas, including:

**Health care:** Hospital or Sports Medicine Management

**Building & Construction:** Construction Project Manager; Landscaping Manager

**Athletics:** Athletic Facilities Manager, Professional Sports Teams Manager

Our students have found jobs and internships in companies such as The Walt Disney Company, Marriott, The Phillies Organization, Comcast, QVC, Verizon, Vanguard and many more.

**PROGRAM HIGHLIGHTS**

- Obtain broad exposure to all business topics for a more comprehensive education.
- Enjoy a flexible program schedule to easily accommodate a minor, a study abroad experience and/or an internship, without course overloads or extra semesters.
