

# Speech-Language Pathology Program

On Demand Information Session

# Dr. Patricia Remshifski

DIRECTOR, SPEECH LANGUAGE PATHOLOGY

[Patricia.Remshifski@jefferson.edu](mailto:Patricia.Remshifski@jefferson.edu)

Jefferson

CREATE WHAT'S NEXT

The Speech Language Pathology (MS-SLP) program is designed to provide **diverse academic and clinical experiences** in the field of communication sciences and disorders to ensure that graduates have the competencies to excel as independent clinicians and as members of collaborative clinical teams.

Full-time, 60 credits (2 years plus 1 summer session)

- The curriculum prepares students for the Certificate of Clinical Competence (CCC) as well as state licensure and school certification in Pennsylvania and New Jersey.
  - Students are engaged in community-based clinical practicum throughout their graduate program in order to gain “real world” experience with populations across the lifespan.
- 

- **American Speech-Language-Hearing Association (ASHA)**
    - The national professional, scientific, and credentialing association for audiologists; speech-language pathologists; speech, language, and hearing scientists and students.
  - **The National Student Speech Language Hearing Association (NSSLHA)**
    - The only national student organization for pre-professionals studying communication sciences and disorders (CSD) recognized by the American Speech-Language-Hearing Association (ASHA).
  - **Pennsylvania Speech-Language-Hearing Association (PSHA)**
    - State organization for speech-language pathologists, audiologists, teachers of the hearing impaired and pre-professional students who serve to advocate for individuals with communication impairments and the professionals who serve them.
-
