CREATE WHAT'S NEXT

Teaching in the Digital Age advanced practice certificates offers fundamental knowledge and skills to teach curricula in schools and other applied settings.

All certificate credits can be used towards a post professional doctoral degree in occupational therapy at Thomas Jefferson University. Each certificate consists of four graduate-level courses that total 12 credits and can be completed part-time over 10 -16 months. All certificates are 100% online.

Fast Facts

- 100% Online
- Part-time, 16 months
- Four Graduate-Level Courses, 12 credits
- All APC Credits can be applied to the PPOTD

Curriculum:

- Bridging the Gap between Classroom and Clinical Practice
- College Teaching in the Digital Age
- Leadership: Moving Beyond Traditional Roles
- Advanced Curriculum Development

Supported Distance Learning

Computer-based

Live video chat and synchronous web sessions, discussion boards, audio-narrated presentations, VoiceThread (interactive video tool)

Regular faculty contact

Video advising and mentoring via Zoom and other platforms, phone, and face-to-face meetings.

Students receive formative feedback to brainstorm ideas as well as formal assessment of their assignments.
