Faculty

Global Learning

Where are you interested in traveling?

What made you interested in that place?

What have you learned from travelling?

How is your major/profession global?

Why Study Abroad?

Study Abroad is not
about shopping, selfies,
or “taking a break”

Why Study Away

Gain a deeper understanding of a foreign/regional culture than from tourism

Why Study Away

Master a language or learn a new one

Why Study Away

Expand your
personal boundaries

Why Study Away

Expand your network
of friends and
colleagues

Why Study Away

Stand out with skills
and perspectives
employers want

When can Students Participate?

Semester, Summer and Short Courses

Students typically study away Junior Year (apply Sophomore Year)

Must have 60 credits earned by the start of semester away (fits with program)

- Architecture = 4th year
 - Graphic Design and Animation = Spring, 3rd year
 - Freshmen & Sophomores may be eligible for specially arranged short-term programs
 - Seniors only on case-by-case basis
 - Graduate students participate in Short Courses and/or Summer Term Programs
- 

When can Students Participate?

Semester, Summer and Short Courses

Study Away Options - Driven by Academic Program

Fall or Spring semester away

- Some majors/programs are only offered during a specific semester; check with SA Office

Full Academic Year away

- 2 Semesters at the same program or 2 semesters in different locations

Summer away

- 4-10 week summer programs for any major in locations around the world

Faculty/Staff-led Short Courses

- 1-2 week international experience tied to a winter, spring or summer term course
