

Jefferson is now a member of The Medical Technology Enterprise Consortium (MTEC).

MTEC is a nationally-dispersed consortium with members from industry, academia and the nonprofit sector.

MTEC MISSION: To be the partner of choice for private industry, academic institutions, government agencies, and other research organizations seeking to accelerate the development of medical solutions that prevent and treat injuries and restore America's military and veterans to full health.

MTEC Solicitations are located on this [website](#).

If you are interested in submitting a proposal, please contact Sam Dilanni (samuel.dilanni@jefferson.edu) for access to the MTEC Members Only Site.
